As per our conversation

I have inquired into property 657 Sherburne St. Paul MN

Vb2 I have come to the conclusion due to the short notice that I cannot be of little

The person that owns this property has a sister who is very I'll during this period

I went thru property did not find anything exciting

I look as the gas and heating system and category 2 report they do not jive called i

He has not called to advise of any corrections

My name is Donald Casto Master license in the city of st.paul.

I represent Neil Heating out of Mpls

We will be very happy to do the work at the above address.

Need clarification from the inspector to determine what needs to be done.

This should not exceed \$2500.00
