- Go through wood piles - Decide what to keep - what not to keep -

- Go through furniture - Keep reasonable good and useful

\* getting rid of rest -  
\* There will be a free pile on Blvd - (kept neatly)

May 1 -

- Build shed type decorative structure for storage  
At North east corner of yard -

- Get rid of Cat wheel in front yard -

- Get rid of Crap on front porch

- Start to clean gardens

June 1 -

- Load Shed appropriately - So neat + functional

- Create start of homey comfy liveable backyard

- Continue to work on garden beds

Ask \* City approved trash can + Recycle for side of house - Need trash can to keep walking people from throwing trash - \* Trash company want to charge extra for their cans -

\* Am Keep Black retaining wall at back of yard to grow stuff for garden - Will modify to keep neat and good looking -

\* Am keeping Gazebo platform -  
- Dream is to build another one

\* Will continue to shape and get yard front Back under control -

\*\*\* With your help - design a drop shelves on side of of house - For temporary work stuff to keep off Blvd -

My goals - By end of Summer is to have a comfy liveable front and back yard -  
Keep work stuff coming in neat tidy -

Minimum time outside -

Time and \$\$\$ and Strength are not my friends - Brain Injury - processing + organized, + getting stuff done are extremely tough - (Am in process of getting prescribed Head TBI and pain coach to help me meet goal. Am excited for this!)

I have to work.)

I have to pay for help -

My \$\$ for home are non-existent -

All of which I am and accept responsibility
