Re: Appeal for property at 1941 Stanford Avenue

Dear Angela Glenhue:

This is to confirm that at the making-finding Legislative Hearing on September 10, 2024 Legislative Hearing Officer Marcia Moermond found that the nuisance was not abated. After the September 25 Council Public Hearing the Department of Safety & Inspections will be authorized to abate the nuisance.

This matter will again go before the City Council at Public Hearing on **Wednesday, September 25, 2024 at 3:30 pm. in room 300 City Hall**. If you are contesting Ms. Moermond's recommendation you may:

1. appear in person (*please arrive before 3:30 p.m. and check in with staff outside Council chambers when you arrive*); or
2. **Should you wish to address Council directly but not appear in person, you must register in person by no later than noon on Tuesday, September 24, 2024 here to testify via phone: <https://www.stpaul.gov/department/city-council/city-council-public-hearing-live-testimony>.**

If you don't wish to contest then **no further action is needed** and the Council will proceed with Ms. Moermond's recommendation above without discussion. If you have any questions, please contact our office at 651-266-8585.

Sincerely,

/s/
