LEGISLATIVE HEARING ITEMS REQUIRING DISCUSSION**63 [RLH VO 14-38](#) Appeal of Keith Hayes to a Correction Notice - Complaint Inspection Notice of Condemnation and Order to Vacate at 318 FRONT AVENUE.**

Legislative Hearing Officer Marcia Moermond gave a staff report. She said the ownership situation had gone back and forth between Contract for Deed and rental, and some enforcement had been through the Certificate of Occupancy and some by Code Enforcement. She said Mr. Hayes was the current owner although there was no title information to support that. She said there was extreme dilapidation, and the property hadn't seen professional renovations for many years. She displayed photographs and recommended denying the appeal and ordering vacation.

In opposition:

Keith Hayes and Jay Wylie (both 318 Front Avenue) appeared. Mr. Hayes said everything was done, and he'd thought he would be able to have the property reinspected before the Council meeting but no one had shown up. He said he'd been in the house since 1980 and had lost and gotten it back three times. He said he had an organization that was going to come in and do the windows, plumbing, and electricity, and everything would be brought up to code. He said he was doing the best he could and would like to be able to stay in his house. He said he had gotten rid of the problem tenant. He displayed photographs of some of the work that had been completed.

Mr. Wiley. said he had done some of the work for Mr. Hayes.

Council President Lantry asked whether permits had been pulled for the work done. Mr. Hayes said they had pulled permits. Ms. Moermond noted that a permit had been pulled to do sheet rock but had not been finalled. In response to a question from Council President Lantry about permits for other work, Mr. Hayes said he had done some work himself. He said the work would be completed for sure by December 31.

Councilmember Thao asked Mr. Hayes whether he was asking for an extension to December 31. Mr. Hayes said the organization that was helping him was getting bids, and would be starting work in two weeks.

Councilmember Thao moved to close the public hearing. Yeas - 6 Nays - 0

Councilmember Thao asked Ms. Moermond whether she felt two weeks would be sufficient time to complete the work. Ms. Moermond suggested a one-week layover for a full inspection and documentation of ownership.

Councilmember Thao moved a one week layover.

Appeal of Ferdinand Peters for Leonard Anderson to a Notice of Condemnation as Unfit for Human Habitation and Order to Vacate and Correction Notice at 559 MCKNIGHT ROAD SOUTH.

Legislative Hearing Officer Marcia Moermond distributed additional information including an amendment to the resolution and an attachment from Southern Minnesota Regional Legal Services (SMRLS). She said she had spoken with someone at St. Paul Regional Water Services about whether water could be turned on, and water staff would be going out the following day to see if there was hot and cold running water and flushing toilets. She said if the water was running she would recommend two deadlines for completing the balance of the items, and SMRLS would be working with the property owner to meet those deadlines.

No one appeared in opposition; Councilmember Tolbert moved to close the public hearing and approve the resolution as amended.

Appeal of Robert King to a Notice of Condemnation Unfit for Human Habitation Order to Vacate the Building is a Gross Unsanitary at 1891 SEVENTH STREET EAST.

Legislative Hearing Officer Marcia Moermond said new orders had been issued September 2 with the number of items decreased by about half. She said her recommendation in Legislative Hearings had been to deny the appeal with a September 2 deadline and a September 12 vacation date, and her recommendation now was the same. In response to a question from Council President Lantry she said the orders had been outstanding since April when there had been a fire in one of the units.

In opposition:

Robert King (3168 Berwick Knoll) said Inspector Thomas inspected on August 8 and gave a September 10 deadline, and the building was condemned at another inspection on August 14. He said the damage to the carpeting and walls in the hallways was due to construction workers going up to the unit that had burned, and the flooring was being replaced. He showed photographs.

In response to questions from Council President Lantry he reviewed the items that had been completed and said many issues from the previous list had been addressed. He said it was a nice brick building built in the 60s. He said he had not seen the new list and would like to have the opportunity to speak to Inspector Thomas for clarifications on some of the items. He said they had put a lot of money into repairs, and acknowledged it had taken a long time. He said they were nice apartments and many had been updated.

In response to a question from Council President Lantry, Ms. Moermond reviewed the timing of the fire and inspections.

Mr. King said they had every intention of bringing the building up to code, but needed clarification from the inspector on some of the items. Ms. Moermond reviewed some of the items from the new list, and noted the items that were of particular concern.

Council President Lantry asked whether the items could be done by September 12. Mr. King said they could. He reiterated that many items were already done, and the heating and smoke detector documentation had been sent.

Council President Lantry moved to close the public hearing and deny the appeal with an extension to September 12 for compliance or vacation.

60 [RLH VBR 14-59](#) Appeal of Calhoun Ventures to a Vacant Building Registration Notice at 812 COOK AVENUE EAST.

Legislative Hearing Officer Marcia Moermond gave a staff report on the appeal of the Vacant Building registration. She said there was a long history of exterior violations, and an unusually long period of time before an inspection was scheduled by DSI. She said no one had met the inspector for the appointment and the building was empty so it was referred to the Vacant Building program. She said the field coordinator for Calhoun Ventures appeared at the Legislative Hearing. She recommended denying the appeal. She said the property manager had contractors ready and would like to rehab and sell the property.

In opposition:

Dave Scheller, Calhoun Ventures (2345 Rice Street), displayed an agreement from a contractor, and said they would spend \$10,000 on rehabilitation of the property. He said the summary abatements were just cosmetic. He said he drove by every week, and the problems were with a neighbor who wanted to use the property for parking.

Council President Lantry asked whether the property was vacant. Mr. Scheller said no one was living there and they wanted to make it habitable.

Councilmember Bostrom moved to close the public hearing. Yeas - 6 Nays - 0

Councilmember Bostrom asked Ms. Moermond how long there had been problems at the property. Ms. Moermond said there had been quite a few complaints in 2011, 2012, and 2013; some had been addressed by the Parks and some by the owners. She said those complaints addressed by Parks were considered founded complaints. Councilmember Bostrom confirmed with Ms. Moermond that the building was vacant.

Councilmember Bostrom moved to adopt Ms. Moermond's recommendation to deny the appeal.

Council Meeting Information

The City Council is paperless which saves the environment and reduces expenses.

The agendas and Council files are all available on the Web (see below).

Councilmembers use iPads to review the files during the meeting. Using the iPad greatly reduces costs since most agendas, including the documents attached to files, are over 1000 pages when printed.

Web

Meetings are available on the Council's website. Email notification and web feeds (RSS) of newly released Minutes, Agendas and Meetings are available by subscription. Please visit www.stpaul.gov/council for meeting videos and updated copies of the Agendas, Minutes and supporting documents.

Cable

Meetings are live on St Paul Channel 18 and replayed on: Thursdays at 5:30 p.m., Saturdays at 12:30 p.m., and Sundays at 1:00 p.m. (Subject to change)
