2. SELECT CYCLE Choose more time for heavily soiled loads and less time for lightly soiled loads.
3. PULL TIMER TO START Lid must be closed to complete cycle. PUSH TIMER TO STOP

FOR BEST STAIN REMOVAL RESULTS

Antiperspirants, Deodorants
Treat with a paste of ammonia and color-safe bleach. Let stand for 30 minutes. Wash in hottest water safe for fabric.

Blood
Rinse immediately or soak in cold water with detergent for 30 minutes. Rinse. Rub detergent into any remaining stains. Rinse thoroughly. Wash.

Cream, Milk, Ice Cream
Sponge immediately or apply a prewash soil and stain remover. Rinse. Wash. Repeat if necessary. If stain remains, soak. Wash drops of liquid detergent. Rinse. If stain remains, soak. Wash.

Grass
Use an enzyme presoak or rub enzyme detergent on the stain. Launder with detergent and bleach appropriate for the fabric.

Ketchup, Tomato Products
Sponge immediately or apply a prewash soil and stain remover. Rinse. Wash. If stain remains, apply a liquid detergent to stain or soak in warm water with detergent. Rewash.

Mud
Brush off the dry mud. Rinse under cold water. Pretreat with a paste of detergent and water. Launder using detergent and bleach safe for the fabric.

• Call 1-800-4 MY HOME to schedule Sears Repair Service.
• Replace inlet hoses every 5 years.
• For French or Spanish instructions, see owners manual.
• Pour les instructions en français, voir le manuel de propriétaire.
• Para obtener las instrucciones en español, véase el Manual del Propietario.

MINIMUM INSTALLATION CLEARANCES

Recess or Closet	1 in.	Closet with Door
4 in. - washer to rear wall	18 in.	washer to door
6 in. - washer to side wall	48 in.	top vent
19 in. - washer top to shelf	28 in.	bottom vent

See installation instructions for details.

WARNING Fire Hazard Never place items in the washer that are dampened with gasoline or other flammable fluids. No washer can completely remove oil. Do not dry anything that has ever had any type of oil on it (including cooking oils). Doing so can result in death, explosion, or fire.	AVERTISSEMENT Risque d'incendie Ne jamais mettre des articles humectés d'essence ou d'autres fluides inflammables dans la laveuse. Aucune laveuse ne peut complètement enlever l'huile. Ne pas faire sécher des articles qui ont été souillés par tout genre d'huile (y compris les huiles de cuisson). Le non-respect de ces instructions peut causer un décès, une explosion, ou un incendie.	ADVERTENCIA Peligro de incendio Nunca coloque en la lavadora artículos que estén humedecidos con gasolina o cualquier otro líquido inflamable. Ninguna lavadora puede eliminar completamente el aceite. No seque ningún artículo que haya estado alguna vez contaminado por aceite (incluyendo aceites de cocina). No seguir estas instrucciones puede ocasionar la muerte, explosión o incendio.
