**Subject:** 2137 Nortonia Ave update

Good morning.

Per your ruling in last week’s Hearing, Inspector Singerhouse and I met Mr. Bassy-Black at the property yesterday morning at 10am. The interior of the house is fully furnished, clean and there were no life safety issues. The exterior of the house is in fair/good condition and the property area is maintained. Please advise how you would like us to proceed with the VB file.

Thank you.
