**NARRATIVE**

On 10/25/2020 at approximately 0200 hrs., Officer T. Mills (SQD-223) and I, Officer A. Agbara (SQD-226) were dispatched to Alano Society Of St. Paul, 520 Robert St. N. for a Burglary report. Per Dispatch a caller had advised that they noticed the front door of the building had been shattered.

Upon arrival I saw that someone had broken the glass panel of the front door of the building possibly making entry. When Mills arrived on scene we entered the building to search it and make sure there was nobody inside. As we cleared it we noticed that all the interior doors were locked except for one. The one door that was open appeared to be a storage room which contained miscellaneous items. After we cleared the building we determined that there was no-one inside.

I asked Dispatch if we had contact information for a key holder that could respond to the building. Dispatch informed me that key holder information was not available.

I contacted Data on the radio and asked that they start a board up crew to secure the broken door. I waited outside in my squad car for the board up crew to arrive. Upon arrival the board up crew was able to board up the broken door.

I cleared the scene and called and spoke with the initial caller who was identified as KIMBERLY ANN HANSON (DOB: 03/10/1982, 18 BELVIDERE ST. W. C/P: 651-983-9309). HANSON stated she was driving past the building when she noticed the shattered glass and broken door. She turned around and drove past it again and noticed the front door was propped open. She did not see anyone enter or exit the building.

There is no suspect information at this time.

I was not able to speak with anyone from the building to determine if anything was stolen. I took pictures of the scene and uploaded them into Media Vault.

Nothing further.
