Tony,

I am waiting to hear what Ms. Martin says about deleting this fee. It has not reached the Assessment Office yet to be processed as an assessment.

I didn't know or state my neighbors address, just said that the wall belongs to my neighbor that lived on the corner/triangular shaped property to the north. From the map you provided the correct address appears to be 3 Alice Ct (so the 9 Alice Ct is an error).

You indicated it's on 9 Alice but should it be 3 Alice?

Yes, those images of the graffiti are from my neighbors wall. I circled the location in red on the attached map.

Hi Tony,

Can you take a look at the attachments and mark where the retaining wall is. I searched and 9 Alice St also got a graffiti abatement order but not until Nov. 2<sup>nd</sup>.

Good Afternoon Mai,

Tony Muscala-Owner at 491 Ohio St called today in regards to a graffiti abatement letter he received. The complainant provided his address for the complaint however the retaining wall belongs to his neighbor at 9 Alice St. I see parks was out there on 10/27/2021 for clean up as according to file 21-314326 for .5hrs. Tony wants to get ahead of the game and wanted to touch base before assessments came out for this charge that isn't on his property. He is on this e-mail and can be reached at 612.986.1176 if needed.

Thank you,
