Zoning Committee

Re: Zoning File #14-293465

Dear Mr. Nelson:

I am the applicant or the applicant's duly appointed representative for this zoning file.

I request a continuance of the public hearing on the application in this zoning file, which is presently scheduled before the Zoning Committee on June 19, 2014.

I understand that a continuance of the public hearing before the Zoning Committee means that the decision of the Planning Commission on this application, which is presently scheduled for June 27, 2014, will also be continued.

I request that the Zoning Committee continue the public hearing for this zoning file to July 1, 2014, I understand that the Planning Commission would then be scheduled to make their decision on July 11, 2014.

I am aware of and understand the statutory requirements found in Minn. Statute § 15.99 (1995) requiring the City of Saint Paul to approve or deny this application within sixty days of its submission. I desire to extend the sixty day period for a City decision under Minn. Stat. §15.99 by fourteen days to August 16, 2014, to accommodate the continuance I am requesting.

Sincerely,
