To whom it may concern,

I am seeking counsel on this matter of the \$2,284.00 charge being assessed in regards to this property at 708 Western Ave. N.

The letter I just received dated 10-4-17 was not post marked until 10-12-17 and I am requesting some additional time to respond, etc.

We previously had attempted to pull permits with the property in order to complete the required work, but were refused permits apparently due to not paying a \$283.00 fee that is required to be paid for someone to verify that one is financially suitable of purchasing a registered vacant property.

The property had already been placed in my name by the bank whom the property was purchased from.

Also, a city council meeting was attended where it was stated the amount would be reduced, with the work being completed by 10-18-17. The work is completed, and are now waiting for inspections to be completed which are presently all set up.

I also did not receive any standard 30 day notice period prior to the \$2,284.00 charge. The contractor and my son also verified with the city hall receptionist that it was not on the computer of their going there, but a notice that the bank had received a letter was on showing on the computer.

Sincerely,

Beverly Burton
