Dear Mr. Breckner:

The enclosed primer for reuse of historic properties as well as the list of Reuse Studies from the records of the State Historic Preservation Office, are being forwarded to you for your review. I did ask the Preservation Alliance of MN Advocacy Committee to put your St. Paul property on their December meeting agenda in response to your inquiry as to a possible "think tank" to explore reuses. Also our director Bonnie McDonald has been informed of your inquiry made at our National Trust conference booth.

Sincerely,

Marvel Anderson
