

HOUSING AND REDEVELOPMENT AUTHORITY OF THE CITY OF SAINT PAUL, MINNESOTA

REPORT TO THE COMMISSIONERS

DATE: APRIL 23, 2014

REGARDING: AUTHORIZATION TO ACQUIRE PROPERTY OWNED BY THE CITY OF SAINT PAUL AT SEVENTH STREET EAST AND KITTSON STREET AND SUBSEQUENTLY CONVEY SAME TO JAY MONTPETIT FOR PARKING LOT, DAYTON'S BLUFF DISTRICT 4, WARD 2 (PUBLIC HEARING)

Requested Board Action

The specific actions being requested of the Housing and Redevelopment Authority of the City of Saint Paul, Minnesota ("HRA") Board are as follows:

- Authorization to accept conveyance from the City of Saint Paul of the property at Seventh Street East and Kittson Street ("City Property").
- Authorization to convey City Property to Jay Montpetit ("Buyer") for use as an improved parking lot.

Background

Jay Montpetit ("Buyer") owns the Downtowner Car Wash at 520 Seventh Street East. The Minnesota Department of Transportation acquired a portion of the Buyer's property for the Lafayette Bridge project. The sale of that property left Buyer without a parking lot for his business. The Buyer's business is adjacent to a large, City-owned parcel of land within which the 9,000 square feet City Property (portion to be conveyed) is contained. Pursuant to Resolution PH 14-56, the Saint Paul City Council authorized disposal of the City Property and subsequent conveyance to Buyer through the HRA, for the re-establishment of a parking lot for the Buyer's business. As approved by the City Council, the sale price of the City Property is \$27,000. The property is already improved as a parking lot and will be conveyed "as-is. Restrictive covenants will be imposed on the City Property to prohibit the installation of billboards or advertising signs, or using the site for storage or disposal of garbage. The HRA will serve as a conduit for this City real estate sale transaction pursuant to the conveyance process approved the HRA Board in RES 11-1810.

Budget Action

No Budget Action is being requested. HRA's fees and costs will be paid by the City at closing.
