Dear Mr. Wilber:

This is to confirm that the March 6, 2013 Public Hearing is continued to April 17, 2013. Our office has received your application for a variance from the city's noise ordinance and that it is being processed.

The Department of Safety and Inspections has recommended that a variance extension be granted for construction work related to the demolition of the Lafayette Bridge for 24 hours a day, Monday through Saturday only, from April 20, 2013 to May 3, 2013. The recommendation is to use best practical methods to control the sound level.

A public hearing on your request for a variance has been scheduled for **April 17, 2013, 5:30 p.m.**, Third Floor, City Council Chambers, at the Saint Paul City Hall/Ramsey County Courthouse, 15 Kellogg Boulevard W., Saint Paul, Minnesota.

You may wish to be present at this hearing to answer any questions that the City Council might have. After the public hearing, the Council may grant, deny, or modify the variance request. **If you have any questions, you can reach Mark Kaisersatt, Environmental Health Specialist, at 651-266-1908, or e-mail him at Mark.Kaisersatt@ci.stpaul.mn.us**

Sincerely,

Natasha Murphy
