Mr. Fishbach,

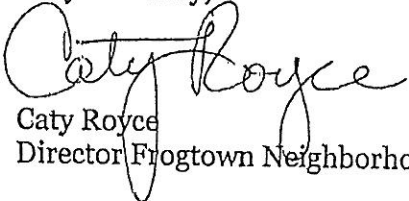

The Frogtown Neighborhood Association hosted a community meeting last week and over 50 community members heard from the owners of Los Ocampo regarding their plans to open a restaurant and bar at the Kings Crossing development on the corner of Dale and University.

The Community voted to support the extension of liquor service to the outdoor patio seating area. In addition the vote supports a waiver of the 45 day notification waiting period.

Please be notified that the community voted unanimously to support the plans.

Feel free to call me with any questions you may have about the vote and this project.

Very Sincerely,

Caty Royce
Director Frogtown Neighborhood Association
