Performance Measures

New Grant Performance Measures

The Office of Traffic Safety is required to create long term performance measures and yearly report on progress towards achieving the goal to the National Highway Traffic Safety Administration. These performance measures evaluate the success of our state in achieving the goal of Toward Zero Deaths. OTS is requesting law enforcement grantees to create local performance standards that support our state's traffic safety goals. These performance measures should be based on county data. If multiple counties are participating in the grant, performance measures should be created using data from all counties.

Terms and Conditions for Non-State Agencies

The Grantee (which refers to the applicant's status after it has been awarded grant funds) shall comply with all applicable federal, state and local laws, ordinances, rules and regulations and provisions stated herein in the performance of the grant award.

1. Survival of Terms

The following clauses survive the expiration or cancellation of the award:

9. Liability; 10. Audits; 11. Government Data Practices; 13. Publicity and Endorsement; 14. Governing Law, Jurisdiction and Venue; and 16 Data Disclosure.

2. Financial and Administrative Provisions

The Grantee will comply with all program guidelines specified in the Grant Program Guidelines (Guidelines) and application which are incorporated herein by reference.

Budget Revisions: The Grantee will submit a written change request for any substitution of budget items or any deviation in accordance with the Guidelines included in this application. Grantees whose requests have been approved will be notified in writing by the State's Authorized Representative to the Grantee's Authorized Representative. Requests must be approved prior to any expenditure by the Grantee.

3. Payment Terms

Payment: The State will promptly pay the Grantee after the Grantee presents an invoice for the services actually performed and the State's Authorized Representative accepts the Invoiced services in accordance with the Guidelines included in this application. Expenditures for each state fiscal year (July through June) of the grant agreement must be for services satisfactorily performed within applicable state fiscal years.

Under Minn. Stat. § 16B.98, subd. 1, the Grantee agrees to minimize administrative costs.

4. Time

The Grantee must comply with all the time requirements described in the application and grant agreement. In the performance of the award, time is of the essence.

5. Consideration and Payment

The State will pay for all services performed by the Grantee under the grant agreement as a reimbursement according to the breakdown of costs contained in the Guidelines and Grantee's application that will be incorporated into the grant agreement.

Under Minn. Stat. § 16B.98, subd. 7, payments to the Grantee may not be issued until the grant agreement is fully executed.

6. Conditions of Payment

All services provided by the Grantee under the grant agreement must be performed to the State's satisfaction, as determined at the sole discretion of the State's Authorized Representative so named in the grant agreement and in accordance with all applicable federal, state, and local laws, ordinances, rules and regulations. The Grantee will not receive payment for work found by the State to be unsatisfactory or performed in violation of federal, state or local law.

7. Authorized Representative

The State's Authorized Representative or his/her successor, is so named in the grant agreement and has the responsibility to monitor the Grantee's performance and has the authority to accept the services provided under the grant agreement opportunity. If the services are satisfactory, the State's Authorized

Representative will certify acceptance on each invoice submitted for payment.

The Grantee's Authorized Representative is so named in the grant agreement. If the Grantee's Authorized Representative changes at any time during the grant agreement, the Grantee must immediately notify the State.

8. Assignment, Amendments, Waiver, and Grant Agreement Complete

The Grantee may neither assign nor transfer any rights or obligations under the grant agreement without the prior consent of the State and a fully executed Amendment, executed and approved by the same parties who executed and approved the grant agreement, or their successors in office.

Any amendment to the grant agreement must be in writing and will not be effective until it has been executed and approved by the same parties who executed and approved the original grant agreement, or their successors in office.

If the State fails to enforce any provision of the grant agreement, that failure does not waive the provision or its right to enforce it.

The grant agreement contains all negotiations and agreements between the State and the Grantee. No other understanding regarding the grant agreement, whether written or oral, may be used to bind either party.

9. Liability

Grantee must indemnify, save and hold the State, its agents, and employees harmless from any claims or causes of action, including all attorneys' fees incurred by the State arising from the performance of the grant agreement by the Grantee or the Grantee's agents or employees. This clause will not be construed to bar any legal remedies the Grantee may have for the State's failure to fulfill its obligations under the grant agreement and subsequent grant agreements. The liability for Grantees that are municipalities is governed by Minn. Stat. § 466 and any other applicable law, rule or regulation.

10. Audits

Under Minn. Stat. § 16B.98, subd. 8, the books, records, documents, and accounting procedures and practices of the Grantee or other party that are relevant to the grant agreement or transaction are subject to examination by the State, and/or the State Auditor or Legislative Auditor, as appropriate, for a minimum of six years from the grant agreement end date, receipt and approval of all final reports, or the required period of time to satisfy all state and program retention requirements, whichever is later. Federal audits shall be governed by requirements of federal regulations.

If applicable, if the Grantee (in federal OMB Circular language known as "subrecipient") receives federal assistance from the State of Minnesota, it will comply with the Single Audit Act Amendments of 1996 as amended and Office of Management and Budget Circular A-133, "Audits of States, Local Governments and Non-Profit Organizations" for audits of fiscal years beginning after June 30, 1996; and, required audit reports must be filed with the State Auditor's Office, Single Audit Division, and with federal and state agencies providing federal assistance, and the Department of Public Safety within nine months of the Grantee's fiscal year end.

11. Government Data Practices

The Grantee and the State must comply with the Minnesota Government Data Practices Act, Minnesota Statutes, Chapter 13, as it applies to all data provided by the State under the grant agreement, and as it applies to all data created, collected, received, stored, used, maintained or disseminated by the Grantee under the grant agreement. The civil remedies of Minnesota Statutes, section 13.08 apply to the release of the data referred to in this clause by either the Grantee or the State.

If the Grantee receives a request to release the data referred to in this clause, the Grantee must immediately

notify the State. The State will give the Grantee instructions concerning the release of the data to the requesting party before the data is released.

12. Workers' Compensation

Grantee certifies that it is in compliance with Minnesota Statutes, § 176.181, subdivision 2, pertaining to workers' compensation insurance coverage. The Grantee's employees and agents will not be considered State employees. Any claims that may arise under the Minnesota Workers' Compensation Act on behalf of these employees and any claims made by any third party as a consequence of any act or omission on the part of these employees are in no way the State's obligation or responsibility.

13. Publicity and Endorsement

Any publicity regarding the subject matter of the grant agreement must be in accordance with the Guidelines Included in this application. The Grantee must not claim that the State endorses its products or services.

14. Governing Law, Jurisdiction, and Venue

Minnesota law, without regard to its choice-of-law provisions, governs the grant agreement. Venue for all legal proceedings out of the grant agreement, or its breach, must be in the appropriate state or federal court with competent jurisdiction in Ramsey County, Minnesota.

15. Termination

Termination by the State. The State may cancel the grant agreement at any time, with or without cause, upon 30 days' written notice to the Grantee. Upon termination, the Grantee will be entitled to payment, determined on a pro rata basis, for services satisfactorily performed.

Termination by the Grantee. The Grantee may request termination upon 30 days notice to the State's Authorized Representative. Upon termination, the Grantee is entitled to payment for services actually performed and agrees to return any unused funds to the State.

Termination for Insufficient Funding. The State may immediately terminate the grant agreement if it does not obtain funding from the Minnesota Legislature, or other funding source; or if funding cannot be continued at a level sufficient to allow for the payment of the services under the grant agreement. Termination must be by written or fax notice to the Grantee. The State is not obligated to pay for any services that are provided after notice and effective date of termination. However, the Grantee will be entitled to payment, determined on a pro rata basis, for services satisfactorily performed to the extent that funds are available. The State will not be assessed any penalty if the grant agreement is terminated because of the decision of the Minnesota Legislature, or other funding source, not to appropriate funds. The State must provide the Grantee notice of the lack of funding within a reasonable time of the State receiving that notice.

Termination for Failure to Comply. The State may cancel the grant agreement immediately if the State finds that there has been a failure to comply with the provisions of the grant award, that reasonable progress has not been made or that the purpose for which the funds were granted have not been or will not be fulfilled. The State may take action to protect the interests of the State of Minnesota, including the refusal to disburse additional funds and requiring the return of all or part of the funds already disbursed.

16. Data Disclosure

Under Minn. Stat. § 270C.65, and other applicable law, the Grantee consents to disclosure of its social security number, federal employer tax identification number, and/or Minnesota tax identification number, already provided to the State, to federal and state tax agencies and state personnel involved in the payment of state obligations. These identification numbers may be used in the enforcement of federal and state tax laws which could result in action requiring the Grantee to file state tax returns and pay delinquent state tax liabilities, if any, or pay other state liabilities
