Good morning Mai,

Mr Pwo is down to seven vehicles on the property , including the Tow Truck. There are also two inoperable motorcycles. A couple of the vehicles appear operable, but the others are damaged and/ or missing parts. He also has a large amount of outside storage and debris throughout the property including auto parts, scrap metal, building materials, loose brick, ceramic tile, tools, barrels, oil drum, totes, and a metal-framed plastic tank. I was unable to attach photos for some unknown reason. I did put them in a Folder on the J: Drive. See attachment for File Info.

Please let me know if there is anything else that you need.

Thanks,
Dick
