Re: 1581 White Bear Ave

Via email on April 6, the board of directors of the Greater East Side/District 2 Community Council reviewed the proposed license conditions of the new license application for 1581 White Bear Ave N.

Our office has received no complaints or concerns regarding this property in the past nor were there any concerns or complaints expressed by our board members. We are also of the position to support our new and current business owners following a difficult year due to the COVID 10 pandemic. The council board thus moves to support the application.

Please feel free to contact me with any questions or concerns. We wish success to the new owner(s) and encourage them to contact us as well with any questions.

Sincerely,

Lisa Theis  
Interim Executive Director
