Julie,

Yes, I'm admitting the violation, and I want to attend the public hearing to get some break in penalty. Please schedule me.

Thanks

Mr. Punjani:

Based on our telephone conversation this afternoon, I understand that you are admitting to the violations outlined in the Notice of Violation sent to you on June 29, 2018 and you wish to choose option #3 and have a public hearing before City Council to contest the \$500.00 penalty.

Please confirm this is how you want to proceed and I will start work on scheduling a public hearing.

Thank you.
