Retaining Wall:

NOTE: Work can only be done if City allows us to replace original wall with a landscaping wall.

Remove existing retaining wall.

Rebuild wall approx. 42'x2' with landscaping blocks on the original footing, if there is a footing, or on a bed of class 5 rock as a base.

Clean up and remove all related debris.

Thank you,
Tim Holmlund.

Your Home Is An Investment. Hire A Licensed Contractor
