Vehicle Accident Summary 2nd Quarter 2018

April – 0

May – 1

June - 1

VA2018-08 Distribution Division 05/02/2018 2:00 PM: Distribution WUWI was driving truck #583 NB on Dale Street in the right lane and was slowing for a red light at Maryland when Vehicle #2, in the left lane changed lanes to the right without checking his blind spot and sideswiped #583. Vehicle #2 was attempting to go around a stalled vehicle in the left lane. There was minor damage to both vehicles. SPPD attended the accident scene. SPRWS Garage staff determined that the damage was a minor paint scuff and does not need to be repaired.

SPRWSVA-2018-09 Vadnais Security Combined 06/01/2018: SPRWS Ford Escape security vehicle#656 has been involved in several different situations where damage occurred to the vehicle the past few months. Some of the damage has been verified and some has not. Due to numerous personnel and driving issues, the primary driver has been released from employment. All incidents/damage will combined into one report dated 06/01/2018, as vehicle #656 has been sent to Ford for repairs of all previous damage.

No further action required.
