**RE: Street Name Change - Ecolab Place**

Jason,

On July 15, 2015 the Capitol River Council's Board of Directors passed the following resolution:

**The CapitolRiver Council supports the changing of Washington Street between St. Peter and 6<sup>th</sup> Street to Ecolab Place.**

The CapitolRiver Council thanks Ecolab for seeking our input on the request and looks forward to continuing our relationship with Ecolab and their employees.

Thank you for your consideration on this matter.

Sincerely,

A handwritten signature in blue ink that reads "Paul Bengtson".
