Unfortunately my adult children are all out of state. Do you happen to know who my city council person is?

Ms. Dorf,

You will need to appeal to City Council. Is there someone you can send to the meeting on your behalf?

Mai

I am disappointed by the hearing conclusion. Yes, the garage is dilapidated and we have plans to remove it. I am out of the country and unable to appear at the next meeting. I merely am asking for an additional month to attend to this garage. We return the last week of August and would be able to begin the dismantling of it at that time.

There are items in the garage that need to be salvaged before it can come down... Can I appeal for this additional time??
