Hi Mai –

Will you please do a resolution to delete the assessment for 336 Wyoming St E? A representative from JPM Properties called asking about a pending assessment for a vacant building fee which had been paid by credit card on 3/18/19 when they went through the sale review process with Reid. Somehow, the fee went to assessment on April 1, 2019 which should not have happened. The VB folder is now closed and I am going to close the VF and CS folders today.

I'd like to let the owner representative know, if at all possible, today that the fee will be deleted. If you want me to do the resolution, you can let me know that too. Thanks, Mai!

Vicki
