Dear Inspectors Yannarely and Bruhn.

Thank you both for the update

Inspector Bruhn's understanding is correct, there are no plans to reopen the location. If, at some point in the future, a decision is made to pursue reopening, Speedway understands that it would contact the City and coordinate the additional repairs indicated. Please confirm that the Certificate of Compliance will issue and that the Legislative Hearing for next Tuesday, March 24 will not be required.

Thanks

Bill Tipping

CAUTION: This email originated outside of the organization.

I probably could issue it. They didn't do the repairs the engineer recommended, but they are not going to use the building so I would be willing to issue the certificate.
