**Subject:** 1916 Fairmount Ave Variance Application

Chris,

My name is Felicia Abler. I live at 2019 Fairmount Avenue and am a longtime Macalester-Groveland resident. I am writing to ask for your support in opposing the application for a lot line variance at 1916 Fairmount Avenue. The proposed variance does not meet the variance criteria and would set a risky precedent by allowing a non-linear lot line. Please help us maintain the integrity and character of our neighborhood by opposing this variance request.

Felicia Abler
