Dear Barb:

Enclosed please find our Sound Level Variance Application and a check for \$172.00.

As we've done for the past many years, we'd like to have a DJ play amplified music in the fully enclosed and heated tent in our parking lot from 3:00 p.m. to midnight on Saturday, March 16, 2019 for the St. Patrick's Day celebration.

The DJ sets up his desk in the Northeast corner of the tent with the speakers facing directly into the middle of the tent. The tent will be 60' x 75'. We will also provide written notice to the residents of the Chestnut Arms apartment complex located on the corner of Smith and Chestnut regarding this request.

Please let me know if you need additional information and thank you for your assistance.

Sincerely,

Eric Wold
