Mr. Petersen,

Per our conversation, your Legislative Hearing will be held on Tuesday, May 16, 2023. This will be a teleconference hearing. You will receive a call sometime between 2:00 p.m. and 4:00 p.m.

As you know, the Legislative Hearing Officer approved your request to schedule this more than 3 weeks out. Please note that she will not be inclined to reschedule this issue.

You said that you may want to appear in person. If that is the case, please call the number below the week before your hearing.

Have a nice weekend.
