RE: Proposed change to Shepard Davern Area

We are property owners at 1800 Graham Avenue which is located within the proposed new zoning area. Please let it be known that we are opposed to the zoning change from B2 to T3. Changing the maximum height allowed for new buildings would not only cause the area to become over populated, it would affect our view of the Mississippi River. Before purchasing our property we evaluated the view we would have from our windows which greatly affected our reason for purchasing there.

Consider this our official comment regarding the proposed change, and do NOT let the change take place.

Sincerely,

Jay and Lori Schraan
