Re: Appeal for property at 1893 Sheridan Avenue
File ID: RLH FCO 11-147

Dear Mr. Meyers:

This is to confirm that on June 14, 2011 at the Property Code Hearing, Marcia Moermond, Legislative Hearing Officer recommended granting a 4-inch variance on the openable height of three double hung replacement egress bedroom windows measuring 20 inches high by 24 inches wide. She also recommended denying the appeal on the classification of the building as a Class B property and denying the appeal on the carbon monoxide/smoke detector issues.

Please note that this matter is before the City Council on Wednesday, July 6, 2011 at 5:30 p.m. in Room 300 Council Chambers. If you wish to contest further on the denial appeals, you may attend the hearing.

If you have any questions, you may contact me at 651-266-8563.

Sincerely,
/s/

Mai Vang
Legislative Hearing Coordinator
