Adverse action means the revocation or suspension of a license, the imposition of conditions upon a license, the denial of an application for the grant, issuance or renewal of a license, the imposition of a fine, the assessment of the costs of a contested hearing, and any other disciplinary or unfavorable action taken with respect to a license, licensee or applicant for a license. Sec. 310.02. - Application.

- (a) *Form*. All applicants for licenses or permits issued pursuant to these chapters shall make both original and renewal applications to the inspector on such forms as are provided by the division. Such applications shall not be received by the inspector until completely filled out, accompanied by all fees, insurance policies, bonds, deposits, sureties, and indemnifications or certificates required by these chapters, together with the certification required in paragraph (b) below.
- (b) *Taxes*. No person shall be granted a license or a renewal of a license required by the Saint Paul Legislative Code unless, prior to and in addition to any other requirements, rules or ordinances heretofore or hereafter required, the Ramsey County Department of Property Taxation certifies that said applicant has paid any and all taxes, real or personal, before said taxes become delinquent, on any property, real or personal, situated within the City of Saint Paul and used in connection with the business operated under said license.

Notwithstanding the previous paragraph, the council, the director or the inspector may issue or renew a license if it is found that:

- (1) The applicant has made an agreement satisfactory to the Ramsey County attorney to pay delinquent taxes in periodic installments;
- (2) The applicant has properly commenced a proceeding to contest the amount of tax due or the valuation of his property, and has made all partial payments required by law in connection with such proceeding; or
- (3) The business property with respect to which taxes are delinquent is not owned by the applicant, but by a lessor, and it would be inequitable to require the lessee to pay such taxes.

If a license is issued or renewed because of the existence of an agreement as described in subsection (1) above, the license may be revoked if the licensee defaults upon such agreement.

- (c) *Additional information.* The inspector shall prescribe the information required to be submitted by each applicant in his application, in addition to that required by specific sections in these chapters, as may be necessary to carry out and enforce any provision hereunder. He shall require in every case the applicant to submit his name; business or corporate name; names of partners, officers, directors, shareholders or trustees involved in the business; age; address; description or blueprint of the premises, if any, and the owner thereof, and locations and addresses of other business locations in Minnesota.
- (d) *No reapplication within one (1) year after denial or revocation.* No person may apply for any license within one (1) year of the denial or revocation of the same or similar license by the city council, if such denial or revocation was based solely or partially upon misconduct or unfitness of the applicant, evidence of violations of law involving licensed premises, evidence that the applicant had been involved in the operation of a nuisance, or fraud or deception in the license application. A license is "similar," within the meaning of this paragraph, if the basis upon which the revocation or denial of the original license was made would have been a relevant basis on which to deny or revoke a license of the type subsequently applied for.
- (e) *Reapplication after denial; "interest" of applicant in revoked license.* An application by a person having an interest in, or whose shareholders or officers have an interest in, any premises or enterprise whose license has been revoked or to which a license has been denied shall be treated as an application by the person whose license was denied or revoked. The term "interest," as used in this paragraph, includes any pecuniary interest in the ownership, operation, management or profits of an establishment, but does not include: bona fide loans; bona fide rental agreements; bona fide open accounts or other obligations held with or without security arising out of the ordinary and regular course of business of selling or leasing merchandise, fixtures or supplies to such establishment; an interest in a corporation owning or operating a hotel but having at least one hundred fifty (150) or more rental units holding a license in conjunction therewith; or ten (10) percent or less interest in any other corporation holding a license.
- (f) *Prohibition on reapplication; exception.* The prohibition on reapplication herein provided shall not apply in cases where it is otherwise expressly provided by statute or ordinance.
- (g) *Waiting period after filing of petition.* Any petition required to be filed with the application for any license shall not be considered as officially filed and irrevocable until seven (7) working days after a petition is received in the inspector's office. During the seven-day waiting period, any signator of any petition may withdraw his name therefrom by written request, and such request shall be appended to the subject petition and made a part thereof. After the seven-day waiting period, signatures may not be withdrawn unless it is shown they were obtained by fraud or duress. Signatures withdrawn or obtained by fraud or duress shall not be counted in determining the sufficiency of the petition. This subdivision shall apply in any case where the applicant for a license must present a statement in writing signed by a specified number or percentage of persons that they have given their consent to the grant of the license.

Sec. 310.03. - Investigation and review of new applications, etc.

The inspector shall determine the sufficiency and accuracy of each new application and obtain such criminal history information as may be used under Minnesota Statutes, chapter 364, and is otherwise available by law. The inspector shall make reasonable and appropriate investigation of the premises or personal property, vehicles or facilities, as may be involved in or related to the licensed activity, and shall request, where appropriate, the assistance of other city divisions or departments in making additional investigations for the purpose of determining whether the applicant is or will be in compliance with all applicable ordinances and statutes. The approval of such other divisions or departments is not required for issuance of a license unless otherwise required by specific sections in these chapters. All new applications shall be reviewed by the zoning administrator or his designee for compliance with all requirements of the Saint Paul Zoning Code, and no new license shall be granted without full compliance with said requirements. All new applications involving a premises, location, building or structure shall be referred to the department of safety and inspections for investigation and recommendation.

(Code 1956, § 510.03; Ord. No. 17361, § 1, 6-5-86; C.F. No. 07-149, § 72, 3-28-07)

Sec. 310.04. - Levels of approval; recommendations.

- (a) *Class R licenses.* Where an application for the grant, issuance or renewal of a Class R license meets all the requirements of law, and there exists no ground for denial, revocation or suspension of, or the imposition of conditions upon, such license, the director shall grant, issue or renew said license in accordance with the application.
- (b) *Class T licenses.* Where an application for the grant, issuance or renewal of a Class T license meets all the requirements of law, and there exists no ground for denial, revocation or suspension of, or the imposition of conditions upon, such license, the director shall grant, issue or renew said license in accordance with the application.
- (c) *Class R and Class T licenses, if denied by director.* In the event the director, in the case of both Class R and Class T licenses, determines that the application for grant, issuance or renewal of the license does not meet all the requirements of law or that there exist grounds for denial, revocation, suspension or other adverse action against the license or the licensee, the director shall recommend denial of the application and follow the procedures for notice and hearing as set forth in section 310.05.
- (d) *Class N licenses.*
 - (1) *Grant, issuance or transfer.* Upon receipt of a fully completed application and required fees for a Class N license, the director shall conduct such investigation as is required to determine whether the application meets all the requirements of law or whether there exist grounds for denial or imposition of conditions on the license. The director shall, in writing, notify the council, and the affected neighborhood organization(s) established for citizen participation purposes, of the existence of the application for all Class N licenses. In any case where the director recommends denial of the grant, issuance or renewal of a Class N license, the director on his or her own initiative, or at the direction of the council, shall follow the procedures for notice and hearing as set forth in section 310.05. If the director is recommending issuance of the license, but the affected neighborhood organization(s) or

other interested persons give notice within thirty (30) days of receipt of notice of the existence of the application (or within forty-five (45) days if the application involves a liquor license) of objection to issuance of the license, the matter shall be referred for a hearing before the legislative hearing officer, who shall give notice of the time, place and date of the hearing to the affected neighborhood organization(s) and the applicant. The legislative hearing officer shall take testimony from all interested persons and shall make a recommendation to the council as to whether the matter should be referred for a hearing before an independent hearing examiner in accordance with the procedures set forth in section 310.05. Where the application for the grant, issuance or renewal of a Class N license meets all the requirements of law, and where there exists no ground for adverse action, the director shall issue such license in accordance with law.

(2) *Renewal*. The director shall in writing notify the council, and the affected neighborhood organization(s) established for citizen participation purposes, at least sixty (60) days before the expiration date of all Class N licenses. A public hearing on the renewal of any such license shall not be held except on the request of a councilmember, which request shall be incorporated in the form of a council resolution. Upon the passage of such resolution, the director shall give written notice of such hearing to the affected neighborhood organizations. Such public hearing does not replace or amend any of the procedures set forth in section 310.05 of the Legislative Code. If no request for a public hearing is made before the expiration of any such license, and where there exists no ground for adverse action, the director shall issue the license in accordance with law.

(e) *Appeal; Class R or Class T licenses*. An appeal to the city council may be taken by any person aggrieved by the grant, issuance or renewal of a Class R or Class T license; provided, however, that the appeal shall have been filed with the city clerk within thirty (30) days after the action by the director. The only grounds for appeal shall be that there has been an error of law in the grant, issuance or renewal of the license. The appeal shall be in writing and shall set forth in particular the alleged errors of law. The council shall conduct a hearing on the appeal within thirty (30) days of the date of filing and shall notify the licensee and the appellant at least ten (10) days prior to the hearing date. The procedures set forth in section 310.05, insofar as is practicable, shall apply to this hearing. Following the hearing, the council may affirm or remand the matter to the inspector or director, or may reverse or place conditions upon the license based on the council's determination that the decision was based on an error of law. The filing of an appeal shall not stay the issuance of the license.

(f) *No waiver by renewal*. The renewal of any license, whether Class R, T or N, shall not be deemed to be a waiver of any past violations or of any grounds for imposition of adverse action against such license.

(Code 1956, § 510.04; Ord. No. 17455, § 1, 5-21-87; Ord. No. 17551, § 1, 4-19-88; C.F. No. 94-500, § 1, 7-6-94; C.F. No. 95-473, § 3, 5-31-95; C.F. No. 95-1517, 1-31-96; C.F. No. 97-1446, § 1, 12-30-97; C.F. No. 99-500, § 2, 7-7-99)

Sec. 310.05. - Hearing procedures.

(a) *Adverse action; notice and hearing requirements*. In any case where the council may or intends to consider any adverse action, including the revocation or suspension of a license, the imposition of conditions upon a license, or the denial of an application for the grant, issuance or renewal of a license,

or the disapproval of a license issued by the State of Minnesota, the applicant or licensee shall be given notice and an opportunity to be heard as provided herein. The council may consider such adverse actions when recommended by the inspector, by the director, by the director of any executive department established pursuant to Chapter 9 of the Charter, by the city attorney or on its own initiative.

- (b) *Notice.* In each such case where adverse action is or will be considered by the council, the applicant or licensee shall have been notified in writing that adverse action may be taken against the license or application, and that he or she is entitled to a hearing before action is taken by the council. The notice shall be served or mailed a reasonable time before the hearing date, and shall state the place, date and time of the hearing. The notice shall state the issues involved or grounds upon which the adverse action may be sought or based. The council may request that such written notice be prepared and served or mailed by the inspector or by the city attorney.
- (c) *Hearing.* Where there is no dispute as to the facts underlying the violation or as to the facts establishing mitigating or aggravating circumstances, the hearing shall be held before the council. Otherwise the hearing shall be conducted before a hearing examiner appointed by the council or retained by contract with the city for that purpose. The applicant or the licensee shall be provided an opportunity to present evidence and argument as well as meet adverse testimony or evidence by reasonable cross-examination and rebuttal evidence. The hearing examiner may in its discretion permit other interested persons the opportunity to present testimony or evidence or otherwise participate in such hearing.
- (c-1) *Procedure; hearing examiner.* The hearing examiner shall hear all evidence as may be presented on behalf of the city and the applicant or licensee, and shall present to the council written findings of fact and conclusions of law, together with a recommendation for adverse action.

The council shall consider the evidence contained in the record, the hearing examiner's recommended findings of fact and conclusions, and shall not consider any factual testimony not previously submitted to and considered by the hearing examiner. After receipt of the hearing examiner's findings, conclusions, and recommendations, the council shall provide the applicant or licensee an opportunity to present oral or written arguments alleging error on the part of the examiner in the application of the law or interpretation of the facts, and to present argument related to the recommended adverse action. Upon conclusion of that hearing, and after considering the record, the examiner's findings and recommendations, together with such additional arguments presented at the hearing, the council shall determine what, if any, adverse action shall be taken, which action shall be by resolution. The council may accept, reject or modify the findings, conclusions and recommendations of the hearing examiner.

- (c-2) *Ex-parte contacts.* If a license matter has been scheduled for an adverse hearing, council members shall not discuss the license matter with each other or with any of the parties or interested persons involved in the matter unless such discussion occurs on the record during the hearings of the matter or during the council's final deliberations of the matter. No interested person shall, with knowledge that a license matter has been scheduled for adverse hearing, convey or attempt to convey, orally or in writing, any information, argument or opinion about the matter, or any issue in the matter, to a council member or his or her staff until the council has taken final action on the matter; provided, however, that nothing herein shall prevent an inquiry or communications regarding status, scheduling or procedures concerning

a license matter. An interested person, for the purpose of this paragraph, shall mean and include a person who is an officer or employee of the licensee which is the subject of the scheduled adverse hearing, or a person who has a financial interest in such licensee.

- (d) *Licensee or applicant may be represented.* The licensee or applicant may represent himself or choose to be represented by another.
- (e) *Record; evidence.* The hearing examiner shall receive and keep a record of such proceedings, including testimony and exhibits, and shall receive and give weight to evidence, including hearsay evidence, which possesses probative value commonly accepted by reasonable and prudent persons in the conduct of their affairs.
- (f) *Council action, resolution to contain findings.* Where the council takes adverse action with respect to a license, licensee or applicant for a license, the resolution by which such action is taken shall contain its findings and determination, including the imposition of conditions, if any. The council may adopt all or part of the findings, conclusions and recommendations of the hearing examiner, and incorporate the same in its resolution taking the adverse action.
- (g) *Additional procedures where required.* Where the provisions of any statute or ordinance require additional notice or hearing procedures, such provisions shall be complied with and shall supersede inconsistent provisions of these chapters. This shall include, without limitation by reason of this specific reference, Minnesota Statutes, Chapter 364 and Minnesota Statutes, Section 340A.415.
- (h) *Discretion to hear notwithstanding withdrawal or surrender of application or license.* The council may, at its discretion, conduct a hearing or direct that a hearing be held regarding revocation or denial of a license, notwithstanding that the applicant or licensee has attempted or purported to withdraw or surrender said license or application, if the attempted withdrawal or surrender took place after the applicant or licensee had been notified of the hearing and potential adverse action.
- (i) *Continuances.* Where a hearing for the purpose of considering revocation or suspension of a license or other disciplinary action involving a license has been scheduled before the council, a continuation of the hearing may be granted by the council president or by the council at the request of the licensee, license applicant, an interested person or an attorney representing the foregoing, upon a showing of good cause by the party making the request.
- (j) If the council imposes an adverse action as defined in section 310.01 above, a generic notice of such action shall be prepared by the license inspector and posted by the licensee so as to be visible to the public during the effective period of the adverse action. The licensee shall be responsible for taking reasonable steps to make sure the notice remains posted on the front door of the licensed premises, and failure to take such reasonable precautions may be grounds for further adverse action.
- (k) *Imposition of costs.* The council may impose upon any licensee or license applicant some or all of the costs of a contested hearing before an independent hearing examiner. The costs of a contested hearing include, but are not limited to, the cost of the administrative law judge or independent hearing examiner, stenographic and recording costs, copying costs, city staff and attorney time for which adequate records have been kept, rental of rooms and equipment necessary for the hearing, and the cost of expert witnesses. The council may impose all or part of such costs in any given case if (i) the position, claim or

defense of the licensee or applicant was frivolous, arbitrary or capricious, made in bad faith, or made for the purpose of delay or harassment; (ii) the nature of the violation was serious, or involved violence or the threat of violence by the licensee or employees thereof, or involved the sale of drugs by the licensee or employees thereof, and/or the circumstances under which the violation occurred were aggravated and serious; (iii) the violation created a serious danger to the public health, safety or welfare; (iv) the violation involved unreasonable risk of harm to vulnerable persons, or to persons for whose safety the licensee or applicant is or was responsible; (v) the applicant or licensee was sufficiently in control of the situation and therefore could have reasonably avoided the violation, such as but not limited to, the nonpayment of a required fee or the failure to renew required insurance policies; (vi) the violation is covered by the matrix in section 409.26 of the Legislative Code; or (vii) the violation involved the sale of cigarettes to a minor.

- (l) *Imposition of fines.* The council may impose a fine upon any licensee or license applicant as an adverse license action. A fine may be in such amount as the council deems reasonable and appropriate, having in mind the regulatory and enforcement purposes embodied in the particular licensing ordinance. A fine may be in addition to or in lieu of other adverse action in the sole discretion of the council. To the extent any other provision of the Legislative Code provides for the imposition of a fine, both provisions shall be read together to the extent possible; provided, however, that in the case of any conflict or inconsistency, the other provision shall be controlling.
- (m) *Presumptive penalties for certain violations.* The purpose of this section is to establish a standard by which the city council determines the amount of fines, the length of license suspensions and the propriety of revocations, and shall apply to all license types, except that in the case of a violation involving a liquor license § 409.26 shall apply where a specific violation is listed. In the case of an adverse action filed for a violation of chapter 331A, the licensee shall be given a fine for each individual violation of chapter 331A. The total fine amount for violations of chapter 331A may exceed the maximum fine outlined below due to multiple violations in one (1) appearance. All penalty recommendations for chapter 331A violations shall be based on the food penalty guideline referred to in chapter 331A. These penalties are presumed to be appropriate for every case; however the council may deviate therefrom in an individual case where the council finds and determines that there exist substantial and compelling reasons making it more appropriate to do so. When deviating from these standards, the council shall provide written reasons that specify why the penalty selected was more appropriate.

- (i) *Fines payable without hearing.*
- A. Notwithstanding the provisions of section 310.05(c), a licensee who would be making a first or second appearance before the council may elect to pay the fine to the department of safety and inspections without a council hearing, unless the notice of violation has indicated that a hearing is required because of circumstances which may warrant deviation from the presumptive fine amount. Payment of the recommended fine will be considered to be a waiver of the hearing to which the licensee is entitled, and will be considered an "appearance" for the purpose of determining presumptive penalties for subsequent violations.
- B. For adverse action initiated under chapter 331A of this Code, a fine may be paid without a hearing regardless of how many prior appearances that licensee has made before the council. The above council hearing requirement applies to violations under chapter 331A unless the fine recommended by the department of safety and inspections is equal to or less than the fine amount outlined in the above matrix. Payment of the recommended fine will be considered to be a waiver of the hearing to which the licensee is entitled, and will be considered an "appearance" for the purpose of determining presumptive penalties for subsequent violations. A non-critical violation under chapter 331A shall not be considered an "appearance" for purposes of determining presumptive penalties for non-331A violations. A council hearing is required if the department of safety and inspections recommends a fine that is an upward departure for the amount outlined above.
- (ii) *Multiple violations.* At a licensee's first appearance before the city council, the council shall consider and act upon all the violations that have been alleged and/or incorporated in the notices sent to the licensee under the administrative procedures act up to and including the formal notice of hearing. The council in that case shall consider the presumptive penalty for each such violation under the "1st Appearance" column in paragraph (b) above. The occurrence of multiple violations shall be grounds for departure from such penalties in the council's discretion.
- (iii) *Violations occurring after the date of the notice of hearing.* Violations occurring after the date of the notice of hearing that are brought to the attention of the city attorney prior to the hearing date before an administrative law judge (or before the council in an uncontested facts hearing) may be added to the notice(s) by stipulation if the licensee admits to the facts, and shall in that case be treated as though part of the "1st Appearance." In all other cases, violations occurring after the date of the formal notice of hearing shall be the subject of a separate proceeding and dealt with as a "2nd Appearance" before the council. The same procedures shall apply to a second, third or fourth appearance before the council.
- (iv) *Subsequent appearances.* Upon a second, third or fourth appearance before the council by a particular licensee, the council shall impose the presumptive penalty for the violation or violations giving rise to the subsequent appearance without regard to the particular violation or violations that

were the subject of the first or prior appearance. However, non-critical violations of chapter 331A shall not be counted as an "appearance" before the council in relation to any violation other than another violation of chapter 331A.

(v) *Computation of time.*

- (1) *Second appearance.* A second violation within twelve (12) months shall be treated as a second appearance for the purpose of determining the presumptive penalty.
- (2) *Third appearance.* A third violation within eighteen (18) months shall be treated as a third appearance for the purpose of determining the presumptive penalty.
- (3) *Fourth appearance.* A fourth violation within twenty-four (24) months shall be treated as a fourth appearance for the purpose of determining the presumptive penalty.
- (4) Any appearance not covered by subsections (1), (2) or (3) above shall be treated as a first appearance. Measurement of the twelve-, eighteen-, or twenty-four-month period shall be as follows: The beginning date shall be the earliest violation's date of appearance before the council, and the ending date shall be the date of the new violation. In case of multiple new violations, the ending date to be used shall be the date of the violation last in time.
- (5) Notwithstanding subsections (iv)(1), (2), (3) or (4) above, a second appearance before the council regarding a death or great bodily harm in a licensed establishment that is related to a violation of the law or license conditions shall be counted as a second appearance, regardless of how much time has passed since the first appearance if the first appearance was also regarding a death or great bodily harm in a licensed establishment. A third appearance for the same shall be counted as a third appearance regardless of how much time has passed since the first or second appearance.
- (6) For the purpose of a second, third or fourth appearance under this section, "violation" shall mean either one of those violations listed in paragraph (m) or a violation of section 409.26(b).

Sec. 310.06. - Revocation; suspension; adverse actions; imposition of conditions.

- (a) *Council may take adverse action.* The council is authorized to take adverse action, as defined in section 310.01 above, against any or all licenses or permits, licensee or applicant for a license, as provided in and by these chapters. Adverse actions against entertainment licenses issued under chapter 411 of the Legislative Code may be initiated for the reasons set forth in subsection (b) below, or upon any lawful grounds which are communicated to the license holder in writing prior to the hearing before the council.

Such actions shall be initiated and carried out in accordance with the procedures outlined in section 310.05; provided, however, that the formal notice of hearing shall be used to initiate the adverse action without the use of prior procedural steps.

- (b) *Basis for action.* Such adverse action may be based on one (1) or more of the following reasons, which are in addition to any other reason specifically provided by law or in these chapters:
- (1) The license or permit was procured by misrepresentation of material facts, fraud, deceit or bad faith.
 - (2) The applicant or one acting in his or her behalf made oral or written misstatements or misrepresentations of material facts in or accompanying the application.
 - (3) The license was issued in violation of any of the provisions of the zoning code, or the premises which are licensed or which are to be licensed do not comply with applicable health, housing, fire, zoning and building codes and regulations.
 - (4) The license or permit was issued in violation of law, without authority, or under a material mistake of fact.
 - (5) The licensee or applicant has failed to comply with any condition set forth in the license, or set forth in the resolution granting or renewing the license.
 - (6) a. The licensee or applicant (or any person whose conduct may by law be imputed to the licensee or applicant) has violated, or performed any act which is a violation of, any of the provisions of these chapters or of any statute, ordinance or regulation reasonably related to the licensed activity, regardless of whether criminal charges have or have not been brought in connection therewith;
b. The licensee or applicant has been convicted of a crime that may disqualify said applicant from holding the license in question under the standards and procedures in Minnesota Statutes chapter 364; or
c. The licensee or applicant (or any person whose conduct may by law be imputed to the licensee or applicant) has engaged in or permitted a pattern or practice of conduct of failure to comply with laws reasonably related to the licensed activity or from which an inference of lack of fitness or good character may be drawn.
 - (7) The activities of the licensee in the licensed activity created or have created a serious danger to the public health, safety or welfare, or the licensee performs or has performed his or her work or activity in an unsafe manner.
 - (8) The licensed business, or the way in which such business is operated, maintains or permits conditions that unreasonably annoy, injure or endanger the safety, health, morals, comfort or repose of any considerable number of members of the public.
 - (9) Failure to keep sidewalks or pedestrian ways reasonably free of snow and ice as required under chapter 114 of the Saint Paul Legislative Code.
 - (10) The licensee or applicant has shown by past misconduct or unfair acts or dealings: physical abuse, assaults or violent actions done to others, including, but not limited to, actions meeting the definition of criminal sexual conduct pursuant to Minnesota Statutes sections 609.342 through 609.3451; sexual abuse, physical abuse or maltreatment of a child as defined in Minnesota Statutes section 626.556,

subdivisions 2 and 10e, including, but not limited to, acts which constitute a violation of Minnesota Statutes sections 609.02, subdivision 10; 609.321 through 609.3451; or 617.246; neglect or endangerment of a child as defined in Minnesota Statutes section 626.557, subdivision 2; the manufacture, distribution, sale, gift, delivery, transportation, exchange or barter of a controlled substance as defined in Minnesota Statutes chapter 152; the possession of a controlled substance as defined in Minnesota Statutes chapter 152 in such quantities or under circumstances giving rise to a reasonable inference that the possession was for the purpose of sale or distribution to others; or by the abuse of alcohol or other drugs, that such licensee or applicant is not a person of the good moral character or fitness required to engage in a licensed activity, business or profession.

- (11) The licensee or applicant has materially changed or permitted a material change in the design, construction or configuration of the licensed premises without the prior approval of the city council in the case of Class N licenses, the director in the case of Class T licenses, and the inspector in the case of Class R licenses, or without first having obtained the proper building permits from the city.
- (12) The licensee or applicant has violated section 294.01 of the Legislative Code, or has made or attempted to make a prohibited ex parte contact with a council member as provided in section 310.05(c-2) of the Legislative Code.
- (13) The licensee violated the law or any license condition and that violation is related to a death or great bodily harm, as defined in Minnesota Statute section 609.02, subd. 8, in or near the establishment.
- (14) The licensee has failed to pay license fees within sixty (60) days of the date the fees are due. Licensee must pay any outstanding fees and delinquent fees in total. Failure to do so within sixty (60) days of the due date may result in revocation of the license. A revocation for this reason, however, is not considered a revocation resulting from misconduct or unfitness of the licensee, evidence of violations of law involving licensed premises, evidence that the applicant had been involved in the operation of a nuisance, or fraud or deception in the license application. Therefore, the requirement of § 310.02(d) prohibiting re-application within one year of revocation shall not apply to revocations under this paragraph.

The terms "licensee" or "applicant" for the purpose of this section shall mean and include any person who has any interest, whether as a holder of more than five (5) percent of the stock of a corporation, as a partner, or otherwise, in the premises or in the business or activity which are licensed or proposed to be licensed.

With respect to any license for activities entitled to the protection of the First Amendment, notwithstanding the foregoing provisions, neither the lack of good moral character or fitness of the licensee or applicant nor the content of the protected speech or matter shall be the basis for adverse action against the license or application.

- (c) *Imposition of reasonable conditions and/or restrictions.* When a reasonable basis is found to impose reasonable conditions and/or restrictions upon a license issued or held under these chapters, any one (1) or more such reasonable conditions and/or restrictions may be imposed upon such license for the purpose of promoting public health, safety and welfare, of advancing the public peace and the

elimination of conditions or actions that constitute a nuisance or a detriment to the peaceful enjoyment of urban life, or promoting security and safety in nearby neighborhoods. Such reasonable conditions and/or restrictions may include or pertain to, but are not limited to:

- (1) A limitation on the hours of operation of the licensed business or establishment, or on particular types of activities conducted in or on said business or establishment;
- (2) A limitation or restriction as to the location within the licensed business or establishment where particular type of activities may be conducted;
- (3) A limitation as to the means of ingress or egress from the licensed establishment or its parking lot or immediately adjacent area;
- (4) A requirement to provide off-street parking in excess of other requirements of law;
- (5) A limitation on the manner and means of advertising the operation or merchandise of the licensed establishment;
- (6) Any other reasonable condition or restriction limiting the operation of the licensed business or establishment to ensure that the business or establishment will harmonize with the character of the area in which it is located, or to prevent the development or continuation of a nuisance.

The inspector may impose such conditions on Class R licenses with the consent of the license holder, or may recommend the imposition of such conditions as an adverse action against the license or licenses; the inspector has the same power with respect to Class T licenses. The council may impose such conditions on Class N licenses with the consent of the license holder, or upon any class of license as an adverse action against the license or licenses following notice and hearing as may be required. Such conditions may be imposed on a license or licenses upon issuance or renewal thereof, or upon and as part of any adverse action against a license or licenses, including suspension. Conditions imposed on a license or licenses shall remain on such licenses when renewed and shall continue thereafter until removed by the council in the case of conditions on Class N licenses or conditions imposed by adverse action, and by the inspector in the case of Class R and T licenses.

- (d) *Standards for multiple license determination.* In any case in which the council is authorized to take adverse action against less than all of the licenses held by a licensee, or applied for by an applicant, the following standards may be used:
- (1) The nature and gravity of the grounds found by the council to exist upon which the adverse action would be based;
 - (2) The policy and/or regulatory goals for the particular licenses involved, either as embodied in the Legislative Code or as found and determined by the council;
 - (3) The interrelationship of the licenses and their relative importance to the overall business enterprise of the licensee or applicant;
 - (4) The management practices of the licensee or applicant with respect to each of such licenses;
 - (5) The extent to which adverse action against less than all of the licenses or applications would result in difficulty in enforcing and monitoring the adverse action taken;

- (6) The hardship to the licensee or applicant that would be caused by applying adverse action to all licenses applications; and
- (7) The hardship and/or danger to the public, or to the public health and welfare, that would result from adverse action against less than all of the licenses or applications.

(Code 1956, § 510.06; Ord. No. 17584, § 1, 8-25-88; Ord. No. 17657, § 15, 6-8-89; Ord. No. 17659, § 2, 6-13-89; Ord. No. 17901, §§ 2, 3, 1-14-92; Ord. No. 17917, §§ 2, 3, 3-31-92; Ord. No. 06-1072, § 2, 12-27-06)

Sec. 310.07. - Termination of licenses; surety bonds; insurance contracts.

- (a) Automatic termination, reinstatement; responsibility of licensee. All licenses or permits which must, by the provisions of these chapters or other ordinances or laws, be accompanied by the filing and maintenance of insurance policies, deposits, guarantees, bonds or certifications shall automatically terminate on cancellation or withdrawal of said policies, deposits, bonds or certifications. No licensee may continue to operate or perform the licensed activity after such termination. The licensee is liable and responsible for the filing and maintenance of such policies, deposits, guarantees, bonds or certifications as are required in these chapters, and shall not be entitled to assert the acts or omissions of agents, brokers, employees, attorneys or any other persons as a defense or justification for failure to comply with such filing and maintenance requirements. In the event the licensee reinstates and files such policies, bonds or certifications without a lapse within thirty (30) days, the license is automatically reinstated on the same terms and conditions, and for the same period as originally issued. After thirty (30) days, the applicant must apply for a new license as though it were an original application.

If there is a lapse in insurance, the licensee is subject to adverse action in accordance with Saint Paul Legislative Code § 310.05. License is null and void during the lapse.

- (b) *Bonds and insurance requirements:*

- (1) Surety Companies: All surety bonds running to the City of Saint Paul shall be written by surety companies authorized to do business in the State of Minnesota. All insurance policies required by these chapters shall be written by insurance companies authorized to do business in the State of Minnesota.
- (2) Approved as to Form: All bonds filed with the City of Saint Paul in connection with the issuance of licenses for whatever purpose, and all policies of insurance required to be filed with or by the City of Saint Paul in connection with the issuance of licenses for any purpose whatsoever, shall first be approved as to form by the city attorney.
- (3) Uniform Endorsement: Each insurance policy required to be filed pursuant to these chapters shall contain the endorsement set forth in Chapter 7 of the Saint Paul Legislative Code.
- (4) Conditions: All bonds required by these chapters shall be conditioned that the licensee shall observe all ordinances and laws in relation to the licensed activity, business, premises or facilities and that he shall conduct all such activities or business in conformity therewith. Such bonds shall also indemnify

the City of Saint Paul against all claims, judgments or suits caused by, resulting from or in connection with the licensed business, premises, activity, thing, facility, occurrence or otherwise licensed under these chapters.

- (c) *Termination of bonds and insurance required by city.* Termination of bonds and insurance required to be filed with the city pursuant to these chapters shall be in accordance with the requirements of Chapter 8 of the Saint Paul Legislative Code.
- (d) *Expiration date to be concurrent with term of license or permit.* The expiration date of all such policies, bonds, guarantees or certifications shall be concurrent with the expiration date of the license or permit.

(Code 1956, § 510.07; Ord 12-74, § 1, 11-28-12)

Sec. 310.08. - Terms of licenses; uniform dates.

- (a) All licenses or permits shall be valid for a period of one (1) year from the date of issuance by the inspector, except as otherwise provided herein or in these chapters or in cases of revocation, suspension or termination under section 310.06.
- (b) Licensees may continue to operate their business after the expiration date of their license; provided, that the licensee has filed with the inspector on or before the expiration date the appropriate license application, license fees, insurance and bonds. The inspector shall process the renewal application in the manner provided for in this Code.
- (c) Whenever any licensee is the holder of the two (2) or more licenses of the City of Saint Paul which expire on different dates, the inspector is authorized, at the request of the licensee, to determine a uniform date for the expiration of all or any number of such licenses, notwithstanding the term and expiration dates of such licenses as originally issued, and notwithstanding any provision as to term of license of any ordinance of the city heretofore or hereafter enacted. The provisions hereof shall govern the issuance of any new license to one already holding a license.
- (d) In order to conform to the foregoing provisions, new licenses may be issued for a term of less than one (1) year, and the license fee therefor shall be prorated for the period of issuance.

(Code 1956, § 510.08; Ord. No. 17360, § 1, 6-5-86)

Sec. 310.09. - Fees.

- (a) *Exempt organizations.* The Legislative Code exempts certain organizations from paying the customary license or permit fees or establishes a nominal fee of less than seven dollars (\$7.00). The terms and conditions of such exemptions are stated within the applicable chapters. Such organizations shall pay a five dollars (\$5.00) minimum processing fee for each and every application for a license or permit to be issued by the division manager, director or council of the city.
- (b) *Fee schedule.* The council may by ordinance determine and establish one (1) fee schedule for any or all licenses and permits issued pursuant to these chapters, and a separate fee schedule for applications for such licenses and permits, which may include fees to cover costs incurred by reason of the late filing. Such fees, in either schedule, shall be reasonably related to the costs of administration incurred in

connection with each such application, license or permit. Costs of administration shall mean and include, but without limitation by this specification, both direct and indirect costs and expenses, such as salaries, wages, benefits and all personnel costs including training, seminars and schooling, expenses of investigations and inspections, handling of inquiries and requests for assistance, telephone and communications, stationery, postage, paper, reproduction, office capital equipment and all office supplies. Such fee schedules as adopted by ordinance and posted in the office of the inspector shall supersede inconsistent fee provisions in these chapters or in other ordinances or laws.

- (c) *Fee for one year; may be prorated.* Unless otherwise specifically provided, the license fee stated is for a period of one (1) year. Such fee may be prorated where a license is issued for a period of less than a year.
- (d) *Late fee.* Unless otherwise specifically provided by the particular licensing provisions involved, an applicant for the renewal of a license who makes application for such renewal after the expiration date of such license shall be charged a late fee for each such license. The late fee shall be in addition to any other fee or payment required, and shall be ten (10) percent of the annual license fee for such license for each thirty-day period or portion thereof which has elapsed after the expiration date of such license. The late fee shall not exceed fifty (50) percent of the annual license fee. If any provision of these chapters imposes more stringent or additional requirements for the issuance of an original license than would be the case for mere renewal, those requirements must be met when the license has lapsed by reason of expiration.
- (e) *Environmental change of ownership fee.* Unless otherwise stated, the environmental change of ownership fee shall be 25% of the environmental plan review fee for each license type.

(Code 1956, § 510.09; Ord. No. 16884, 2-11-82; Ord. No. 17802, § 1, 1-10-91; C.F. No. 03-893, § 1, 11-5-03)

Sec. 310.10. - Refunds of fees.

- (a) *Refund where application withdrawn; service charge.* Unless otherwise specifically provided by the particular licensing provisions involved, where an application for any license is withdrawn, the inspector shall refund to the applicant the license fee submitted less a service charge to recover in part the costs incurred in processing the application in the amount of twenty-five (25) percent of the annual license fee.
- (b) *Limitation on refund; other cases.* In all other cases as provided in paragraph (c), the director of the department of safety and inspections, or his designee, may upon receipt of a written request refund the license fee, less a service charge to recover in part the costs incurred in processing the application up to twenty-five (25) percent of the annual licensee fee.
- (c) *Bases for refunds.* Refunds under paragraph (b) may be made to the licensee or his estate:
 - (1) Where the place of business of the licensee or his principal equipment is destroyed or so damaged by fire or any other cause that the licensee ceases for the remainder of the licensed period to engage in the licensed activity or business;
 - (2) Where the business or licensed activity ceases by reason of the death or illness of the licensee or the sole employee or manager; or
 - (3) Where it has become unlawful for the licensee to continue in the business or licensed activity other than by cancellation, termination, revocation, suspension, denial or any criminal activity on the part of

the licensee.

(Code 1956, § 510.10; C.F. No. 09-516, § 1, 6-10-09; Ord. No. 11-69, § 1, 8-24-11; Ord 12-33, § 1, 6-27-12)

Sec. 310.11. - Transfers; general.

- (a) *License a privilege, not property.* All licenses or permits issued by the City of Saint Paul pursuant to these chapters or other ordinances or laws confer a privilege on the licensee to engage in the activity or occupation so licensed, and do not constitute property or property rights or create any such rights in any licensee. No such license or permit may be seized, levied upon, attached, executed upon, assessed or in any manner taken for the purpose of satisfaction of any debt or obligation whatever.
- (b) *Licenses not transferable; conditions.* Notwithstanding any other provision of the Saint Paul Legislative Code to the contrary, no licenses issued by the City of Saint Paul shall be transferable.
- (c) *Transfer; definition.* "Transferable" means the ability to transfer a license or licenses from one (1) person to another, or from one (1) location to another. "Transfer," as used in these chapters, shall include a transfer from person to person, or from place to place, or a transfer of stock in a corporate licensee, or of shares or interests in a partnership or other legal entity. "Transfer," as used in these chapters, shall not include the instance where a license is held by an individual or partnership and the transfer is by said individual or partnership to a corporation in which the majority of the stock is held by said individual or by the members of said partnership.
- (d) *Deceased licensee.* Notwithstanding any other provision of these chapters, in any case where a liquor license is held by a person not incorporated and where the license would, by reason of the death of said licensee, lapse to the city in the absence of this paragraph, the authorized representative of the estate of the deceased licensee may consent to and seek to reissue said license to the beneficiary to the licensed establishment. The reissuance shall be subject to all applicable requirements of these chapters and existing law.

(Code 1956, § 510.11; Ord. No. 16822, 9-3-81; Ord. No. 17551, § 3, 4-19-88; C.F. No. 95-473, § 6, 5-31-95)

Sec. 310.12. - Inspection of premises.

The premises, facilities, place, device or anything named in any license issued pursuant to any provision of the Saint Paul Legislative Code or other law shall at all times while open to the public or while being used or occupied for any purpose be open also to inspection and examination by any police, fire, or health officer or any building inspector of the city, as well as the inspector.

(Code 1956, § 510.12)

Sec. 310.13. - Renewal.

Every license renewal under these chapters may be denied for any licensee who is delinquent in any payment or contribution to a health and welfare trust or pension trust, or similar program, established for the benefit of his employees.

(Code 1956, § 510.13)

Sec. 310.14. - Savings clause.

- (a) If any provision in these chapters is held unconstitutional or invalid by a court of competent jurisdiction, the invalidity shall extend only to the provision involved and the remainder of these chapters shall remain in force and effect to be construed as a whole.
- (b) The repeal of any ordinance by this ordinance (which enacts the Uniform License Ordinance) shall not affect or impair any act done, any rights vested or accrued, or any suit, proceeding or prosecution had or commenced in any matter, prior to the date this ordinance became effective. Every such act done or right vested or accrued shall remain in full force and effect to all intents and purposes as if the repealed ordinances had themselves remained in force and effect. Every such suit, proceeding or prosecution may be continued after repeal as though the repealed ordinances were fully in effect. A suit, proceeding or prosecution which is based upon an act done, a right vested or accrued, or a violation committed prior to repeal of the repealed ordinances, but which is commenced or instituted subsequent to repeal of the repealed ordinances, shall be brought pursuant to and under the provisions of such repealed ordinances as though they continued to be in full force and effect.

(Code 1956, § 510.14)

Sec. 310.15. - Penalty.

Any person who violates any provision of these chapters, or other ordinances or laws relating to licensing, or who aids, advises, hires, counsels or conspires with or otherwise procures another to violate any provision of these chapters or other ordinances or laws relating to licensing is guilty of a misdemeanor and may be sentenced in accordance with section 1.05 of the Saint Paul Legislative Code. The term "person," in addition to the definition in [section 310.01](#), shall for the purpose of this section include the individual partners or members of any partnership or corporation, and as to corporations, the officers, agents or members thereof, who shall be responsible for the violation.

(Code 1956, § 510.15)

Sec. 310.16. - Reserved.

Editor's note— [Section 310.16](#), pertaining to license fees and annual increases, and derived from Ord. No. 16885, adopted Feb. 11, 1982; Ord. No. 17059, adopted Oct. 20, 1983; and Ord. No. 17303, adopted Oct. 29, 1985, was repealed by Ord. No. 17884, § 1, adopted Nov. 19, 1991.

Sec. 310.17. - Licensee's responsibility.

Any act or conduct by any clerk, employee, manager or agent of a licensee, or by any person providing entertainment or working for or on behalf of a licensee, whether compensated or not, which act or conduct takes place either on the licensed premises or in any parking lot or other area adjacent to (or under the lease or control of) the licensed premises, and which act or conduct violates any state or federal statutes or regulations, or any city

ordinance, shall be considered to be and treated as the act or conduct of the licensee for the purpose of adverse action against all or any of the licenses held by such licensee. To the extent this section is in conflict with sections 409.14 and 410.09 of the Legislative Code, this section shall be controlling and prevail; but shall not otherwise amend, alter or affect such sections.

(Ord. No. 17629, § 1, 1-31-89)

Sec. 310.18. - License fee schedule.

Notwithstanding the provision of any other ordinance or law to the contrary, the following fees are hereby provided for all the licenses listed herein. These fees supersede all inconsistent provisions, including, but not limited to, graduated fee provisions, in these chapters and in other ordinances and laws, and include the fee for the license application as part of the license fee; provided, however, that this section does not amend or modify sections 310.09(a) or 310.09(d) of the Legislative Code with respect to exempt organizations or late fees. Pursuant to section 310.09(b) of the Legislative Code, these schedules shall be posted in the office of the director. These fees shall be effective for license renewals and new license applications occurring on and after January 1, 1995, or on the effective date of this section, whichever is later; provided, however, that with respect to all licenses whose renewal dates occur after the effective date of this new schedule, there shall be no increases in, nor offsets or refunds of, the existing fees paid, or due and owing.

Sec. 310.19. - Discount from certain license fees.

- (a) A discount will be provided for on-sale and off-sale liquor licenses, on-sale and off-sale 3.2 malt liquor licenses and on-sale strong beer and wine licenses. Such fees mentioned shall be reduced seven (7) percent, contingent upon each of the following conditions:
- (1) *Driver's license guide; compilation of laws.* The licensee shall maintain on the premises, in a location accessible at all times to all employees of the licensed establishment:
 - a. A current driver's license guide, which shall include license specifications for both adults and minors for each state (including Canadian provinces), and shall list such information from at least five (5) years prior to the present date; and
 - b. A current compilation of the laws relating to the sale and possession of alcoholic beverages in the state as outlined in Chapter 7515 of the State of Minnesota Rules and Minn. Stat. Ch. 340A. This compilation must also include chapters 240 through 246, 409 and 410 of the Saint Paul Legislative Code.
 - (2) *Signage.* The licensee shall maintain on the premises, in all customer areas, current signage relating to underage consumption of alcoholic beverages, and relating to driving under the influence of alcohol. One (1) sign must be located behind the bar, and one (1) sign must be present in each additional room or section within the lounge area in which the writing on the sign behind the bar is not clearly legible. The sign(s) must have dimensions of at least one (1) foot by one (1) foot with letters at least one-half (½) inch in height. All signs must be comfortably readable from a distance of fifteen (15) feet.
 - (3) *Contract with security agency.*
 - a. *Generally.* The licensee shall participate in a training program with an approved private security agency, firm or association (hereafter "security agency") which is selected and contracts with the city for the purpose of providing investigations and training to the licensee pursuant to this subsection. The city contract shall provide (i) that the security agency shall not be reimbursed by the city, but that it shall recover its costs and profit by fees collected from the licensees which

- choose to receive the training program and investigative services, and (ii) that the security agency shall charge the same amount to all licensees who choose to receive such services, so that all such licensees are treated equally and without discrimination.
- b. *Investigation.* The contract with the city shall provide for and require one (1) or more investigations by the security agency each calendar year into the practices of the licensee with respect to (i) age identification of customers in order to prevent sales of alcoholic beverages to minors, and (ii) preventing the sale of alcoholic beverages to persons who are obviously intoxicated. The contract shall require that the security agency disclose the results of all such investigations to both the licensee and, at no cost to the city, to the department, within ten (10) days after such investigations are concluded. Failure to do so will be grounds for adverse action against the licensee's licenses. The contract shall require that all such investigations shall include unannounced and random attempts by minors to purchase alcoholic beverages in the licensed premises, and surveillance within the licensed premises. The security agency shall employ reasonable measures to minimize or eliminate conflicts of interest in providing and reporting on investigations of licensees.
- c. *Training.* The contract shall also provide for alcohol awareness training by the security agency of all officers, employees or agents of the licensee who work in the licensed premises at least once during the calendar year. All newly hired employees or new officers or agents hired during the calendar year shall receive such training within four (4) weeks following their hiring, and shall not work in the premises after that four-week period until they have received such training.
- d. *Standards for approval.* In addition to the requirements specified elsewhere in this subsection, the security agency and its investigations and training must meet or exceed the following:
1. The alcohol awareness course shall cover all of the topics listed herein. The content of each training course shall include, but need not be limited to:
 - (a) Pertinent laws and ordinances regarding the sale of alcohol.
 - (b) Verification of age, forms of identification, and forms of false or misleading age identification.
 - (c) The effect of alcohol on humans and the physiology of alcohol intoxication.
 - (d) Recognition of the signs of intoxication.
 - (e) Strategies for intervention to prevent intoxicated persons from consuming further alcohol.
 - (f) The licensee's policies and guidelines, and the employee's role in observing these policies.
 - (g) Liability of the person serving alcohol.
 - (h) Effect of alcohol on pregnant women and their fetuses, and in other vulnerable situations.
 - (i) Training available in languages other than English that are spoken by the license holders and/or the license holders employees.
 2. The security agency shall have a minimum of two (2) years actual experience in alcohol awareness training. The courses may be given by one (1) or more instructors, but each instructor must have a formal education and/or training in each area they teach. The courses

may be supplemented by audio-visual instruction.

3. The security agency shall have sufficient personnel and physical resources to provide an alcohol awareness training course to newly hired employees within four (4) weeks after their hiring by the licensee with whom there is a contract. The cost covering the training and investigation service provided to license holders shall be identified and charged equally to each participant.
