Hi Mai,

Thank you for your assistance with this matter. We went ahead and paid everything for 2023. I also called Ramsey County Property Tax Record and updated the address so hopefully we start receiving all of these letters and notices. I also have someone going out to upkeep the property this week.

Regarding the 2024 notices, the pictures you sent over do not reflect our property. I will be sure to be available during that hearing time but would expect that this issue would be dropped since it is not our property and we do have someone regularly caring for the lawn.

Please let me know if there is anything else you think we should be doing to help resolve these issues, and again I appreciate all of your assistance.

Have a splendid day.

Hello Ms. Bugge,

Your hearing is not until **September 17, 2024 via telephone hearing between 10AM-12PM**. I will put you on the schedule for that day and if a hearing is not necessary, I will email you Monday, before the hearing. Please provide your phone number once again for the hearing. As to mailing address, you may want to contact Ramsey County Property Tax Record at 651-266-2000 ([Ramsey County Website](#)) to update your address as record still show you at the 935 Woodbridge Street address. Once that is updated, it will alert the Dept of Safety & Inspections and Assessment Office to change the record in their system. I have copied Tanya Panzer, Assessment Office, in this email.

Hi Mai,

Thank you for your time with this issue. As expected, that is not our house. Our lot does not have a house on it and according to those pictures, the house listed there has an address of 945.

How do you think we should proceed?

Also, I am worried we will not receive any letter if it is sent to 935 Woodbridge since we never received any of the previous correspondence. Can I provide a different address for the city to put on file for any correspondence with our address?

Again, thank you for your help with this matter. Have a splendid day.

Hello Ms. Bugge,
Per our phone conversation, your assessment hearing is not until September 17, 2024 which you will get a letter. Here attached are the photos and order issued by the inspector and city crew that did the work. If you still wish to appeal, call me back when you get the letter.

Thanks.
