Re: Appeal for property at 216 Otis Avenue

Dear Mr. Wilhoit:

This is to confirm that Marcia Moermond, Legislative Hearing Officer, has reviewed the above-referenced matter and recommended that the City Council grant variances on the openable height of the egress windows in Units 1, 2, 3, 4, 5, and 6. For Unit 7, she grants a 7-inch variance in minimum sill height if standard size step is installed, and permanently affixed to the wall, for the full length of the window.

The City Council Public Hearing is scheduled for Wednesday, February 1, 2012 at 5:30 p.m. in Room 300 Council Chambers. You don't need to attend since the appeal has been granted.

If you have any further questions, you may contact me at 651-266-8563.

Sincerely,

/s/

Mai Vang
Legislative Hearing Coordinator
