**REQUEST FOR LICENSE ADVERSE ACTION**

The Environmental Health Division conducted a re-inspection of the facility at 804 University Ave W on 05/23/11 and is recommending license adverse action (Section 331A.11 of the Saint Paul Legislative Code). The food code violations listed below were noted as being uncorrected during the inspection. A copy of the full inspection report is attached.

The following penalties are being recommended:

---

Location: \*GROCERY - SALES AREA

Violation 1 Severity: CRITICAL (Major) Comply By: 04/15/11 Notice # 2

RECOMMENDED PENALTY: \$200

Cold food not maintained at 41 degrees Fahrenheit or less.  
EGGS IN GLASS DOOR REFRIGERATION UNIT AT 53 DEGREES

Immediately, maintain all cold readily perishable food at 41 degrees Fahrenheit or less.  
(MN 4626.0395)

---

The penalties listed above were based on the food code penalty guideline and the following mitigating or aggravating factors:

**Potential for harm or imminent threat to public health:**

Improper food holding temperatures are a major cause of foodborne illness.

**Extent of deviation from statutory or regulatory requirements:**

The temperature of the eggs is significantly above the required 41F temperature

**Demonstration of good faith efforts to correct a violation:**

There does not appear to be any attempt at correction of this violation.
