Dear Ms. Kingston:

Congratulations on your commitment to celebrate our communities of color. Celebrating Communities of Color is an initiative designed to help our community embrace diversity. We had over 200 organizations apply for this grant and yours was one of the 50 selected.

The General Mills Foundation is pleased to make a grant in the amount of \$10,000 payable to the City of Saint Paul Department of Human Rights and Equal Economic Opportunity for the Saint Paul EMS Academy. We request that this grant be recorded in the name of the General Mills Foundation and that an acknowledgement of this payment be sent to the Foundation office, to my attention.

I am the Foundation contact for this grant. If you have questions or need information at any time, please contact (763) 764-2211. We always welcome observations on the impact this grant may be having on your program.

Once again, congratulations on your commitment to helping our community celebrate diversity.

Sincerely,
