Hi Lisa,

Thank you for coming on Wednesday and bringing Richard. Both of you were kind and conscientious.

Since you were here, I have put house numbers up; removed the metal posts; and reduced the height of the boulevard vegetation.

You said you would ask permission for me to keep my rose bushes in the boulevard, which I appreciate. The same permission was granted in August 2015 (and once previously) without an appeal being filed. In my appeal dated July 5, I asked for permission to keep everything, with special emphasis on the rosebushes, cup flowers, Joe-pye weed, and all other native plants/flowers. As you know, my husband received a native garden award in the fall of 2015.

If this case could possibly be resolved (in my favor!) today or before the hearing on Tuesday, I would be very grateful.

Best wishes,
Elizabeth (Liza) Burr
