Comments: my Dad occupied the home while remodeling until the house fire Feb 19th 2020. We were not allowed to do anything with the house until the investigation + insurance were complete. That wasn't done prior to COVID shut downs + due to the shut downs everything (finding a contractor, getting answers/permits) was very delayed. We were told by various city departments due to COVID we would not be penalized because things were so backed up

up and the house could not demolished prior to the 90
~~begin the process~~ days. I did everything in my power
to move the process along quickly,
but due to the pandemic things
were put on hold and then very
backed up. The house was not
vacant prior to Feb. 19th, the letter
I received stated it was vacant starting
in December.
