Hello Albertia Davis,

Per our phone conversation, Alexsandra Felt appealed on behalf of the owner, Noah Chappell, and was heard yesterday, Oct 5 on the 2 items she needed to repair. Those items were discussed and was given a deadline of November 12 to come into compliance with the stove/oven. Our understanding from the inspector was that the stove works and not the oven. Seems like you stated the stove don't work? This matter will go before the City Council on October 27, 2021. If you object to the November 12 deadline, you may submit a written statement before noon, Oct 27 and we will attach to the record and a staff report will be given by the Legislative Hearing Officer to the Council on that day. Live testimony is not feasible at this time due to the pandemic. You may submit your statement to legislativehearings@ci.stpaul.mn.us or via this email.   Here is the link below to the file appealed by Ms. Felt. Minutes are pending at this time.
