Thanks Mai –

I do not have any communication in my records that I can share, other than the letters that get sent.

There are three pictures attached – one is from our compliance inspection where the work was not done, the next is from after the work was done (circled in green are two distinct pieces of deadwood that were removed), and the third photo is from today.

Let me know if you need anything else.

Thanks

Hello Mai,

Thanks for the reminder – is there a certain way that you would like my comments/photos? Should that go into legistar? Or just an email?
