Dear Sir or Madam:

The City of Saint Paul, Department of Safety and Inspections has inspected the above referenced property on **September 11, 2012** and has determined that the following deficiencies exist in violation of the Saint Paul Legislative Code¹ (see footnote 1, below).

1. **RESIDENTIAL PARKING ON UNAPPROVED SURFACE:** All residential parking spaces shall be paved with asphalt, concrete or other suitable surfacing as determined by Zoning Enforcement. **CEASE PARKING ON UNAPPROVED SURFACES.** For information on installation of an approved parking surface contact Zoning Enforcement at 651.266-9008 regarding submittal and approval of a site plan.

You are hereby notified to correct these deficiencies in accordance with the appropriate codes. The Enforcement Officer will reinspect these premises on or after **September 25, 2012**, by which date the violations noted must be corrected. **Failure to correct these deficiencies may result in the issuance of criminal charges²** and/or a civil lawsuit, and possible abatement/assessment by the City. WARNING Code inspection and enforcement trips cost the taxpayers money. If the violations are not corrected within the time period required in this notice, the city's costs in conducting a reinspection after the due date for compliance will be collected from the owner rather than being paid by the taxpayers of the city. If additional new violations are discovered within the next following 12 months, the city's costs in conducting additional inspections at this same location within such 12 months will be collected from the owner rather than being paid by the taxpayers of the city. Any such future costs will be collected by assessment against the real property and are in addition to any other fines or assessments which may be levied against you and your property.
