Hi Advanced,

See additional information below. It sounds like the properties are currently under construction.

Thanks,

Chris

Hi Chris,

Can you please send AD a request to stop billing for these property's? The attached email is our response to AD's question regarding the billing complaint that we submitted t them in November 2019. The P/ O is still receiving billing for these property's (attached) and they are both still under construction with dumpsters at both property's (as listed in STAMP). Please request that AD remove billing for this property until notified by the P/O to start service, and can you please request a response, so I can then update the P/O?

Thank you!
