12 [Ord 14-39](#)

Creating Chapter 373 of the Saint Paul Legislative Code pertaining to Transportation Network Companies. (Public hearing continued from October 15 and November 19)

Council President Lantry said the Department of Safety and Inspections (DSI) had been working very hard on the item and she thanked them for their work. She said the intent was to continue the public hearing until December 3 for a few additional changes.

Geoffrey Karls, Assistant City Attorney representing DSI, reviewed the amendments. Councilmember Tolbert moved the amendments. Yeas - 4 Nays - 0

In opposition:

Joel Carlson, representing Uber Technologies, said they would like further work on the section relating to data practices. He said they didn't feel the Data Practices Act provided adequate protection for trade secrets, and they would like time to try and resolve that issue.

David Dermer (390 Beacon Avenue) spoke on behalf of Citywide Taxi. He said all drivers should be subject to the same background checks, licensing criteria, and oversight. He said he felt insurance should be based on experience. He spoke about the importance of cab stands to the taxi industry.

Councilmember Tolbert moved to continue the public hearing to December 3.

- 18 [RES PH 14-318](#) Approving the use of Neighborhood STAR Year-round program funds including business subsidy requirements for renovations to the Highland and Grandview Theaters.

In opposition:

Amy Spong, Heritage Preservation Commission (HPC), noted an HPC resolution adopted on November 6 requesting additions or requirements to the resolution being considered. She reviewed the changes being sought.

Jeff Lotz (1845 St. Clair) expressed support for the HPC resolution, and presented a petition with 154 names of people in support of historic designation. He noted the City's investment in the theaters and encouraged the Council to seek protection for the theaters now rather than trying to avert a disaster later.

Rich Laffin (797 Lincoln Avenue) said the theaters were treasures in the neighborhood and he hoped the owners would use care in their renovations.

Steve Mann, one of the owners, said no architectural changes were planned and they were just making changes to make customers more comfortable. He said the changes already made to the front of the Grandview were the most tasteful and economical means of addressing a safety issue pointed out by the City.

Councilmember Tolbert moved to close the public hearing. Yeas - 4 Nays - 0

Councilmember Tolbert thanked everyone for their testimony and work. He said the Highland and Grandview were the last two operating movie theaters in the City of St. Paul. He said they had been in the Mann family for generations and he knew the Manns cared more about them than anyone else present and would do things tastefully and well. He moved approval.

LEGISLATIVE HEARING ITEMS REQUIRING DISCUSSION

30 [RLH VO 14-59](#)

Appeal of Delbert Moore to a Revocation of Fire Certificate of Occupancy and Order to Vacate at 134 MARIA AVENUE.

Legislative Hearing Officer Marcia Moermond gave a staff report on the Fire Certificate of Occupancy (CO) revocation resulting from noncompliance with a previous set of orders. She said the orders were issued in response to a complaint that the basement and garage were being rented illegally, and because of some police-related issues. She reviewed the violations found by the inspector. She said a CO was issued within the last year, and conditions had deteriorated since that certificate was issued. She recommended that the Council deny the appeal as no progress was made in the 10 days between the issuance of the orders and the deadline. She said she had little faith that the violations would be addressed. She said a separate appeal was coming forward related to the vacant building status. Council President Lantry confirmed that what was before the Council was the CO revocation and order to vacate.

In opposition:

Delbert Moore (1276 Macarthur, West St. Paul) said he had never insinuated to anyone that it was a triplex. He said someone had stayed in the basement one or two nights. He said he decided to tear the garage down rather than make the corrections and started the work without a permit, and now was unable to get a permit because of the vacant building situation. He said he couldn't ask tenants to leave without providing notice. He said he felt the inspector called out insignificant things. He showed a photo of a neighbor's garage and said others should be held to the same standards as he was. He spoke about one of the tenants who had been causing problems and said the sheriff had removed her.

Robert Daniels, tenant, said this situation had been very difficult. He said he had Stage 4 terminal lung cancer. He spoke about disputes with other tenants/neighbors who had lied about him. He said he'd lived in the house for 29 months and paid his rent. He said he loved the neighborhood and apartment, and Mr. Moore took good care of the apartment and was trying to comply. He suggested bringing in a management company and giving Mr. Moore a chance to get some training.

Mr. Moore addressed some specific items on the deficiency list. He said none of the items were health or life-threatening. He said he would take care of the building in a proper manner. He said he wished he would been notified of the police calls.

In support:

Louann Ryan (128 Maria Avenue), neighbor, said other neighbors had sent emails and some were afraid to testify due to fears of retaliation. She said the property had been a problem property since she moved into the neighborhood in 2000. She said Mr. Moore had problems associated with other properties, and it wasn't about the tenants but about Mr. Moore and his inability to maintain the property. She said the neighbors were expected to maintain their properties.

Council President Lantry moved to close the public hearing. Yeas - 4 Nays - 0

Council President Lantry moved to adopt the recommendation of the Legislative Hearing Officer. She said it was a complicated situation but the photographs in the file told the story, and having someone live in the basement represented an unacceptable safety risk. She cited recent fires involving illegal basement sleeping rooms. She said she had spoken with Mr. Moore within the last two weeks about expectations, and she noted that the property was still occupied and receiving police calls even though the vacate date had passed.

31 [RLH VO 14-58](#)

Appeal of George Holdgrafer to a Notice of Condemnation as Unfit for Human Habitation and Order to Vacate at 841 MARION STREET.

Legislative Hearing Officer Marcia Moermond gave a staff report on the on the condemnation and order to vacate due to a water shut-off. She said the water meter needed to be replaced, and the property owner needed time to remove a deceased family member's belongings from the home. She said the property owner had been living elsewhere. She recommended denying the appeal as water was a basic requirement for habitation.

In opposition:

Property owner George Holdgrafer said he was a retiree on Social Security, was taking classes and tutoring at St. Paul College, and was a personal assistant for a friend with health problems who had no one else to care for him. He asked for an extension to January 5. He said in mid-December there was a school break and his friend would be cared for by relatives for the holiday, and he would have an opportunity to remove the items that had belonged to his parents.

Councilmember Tolbert moved to close the public hearing. Yeas - 4 Nays - 0

Council President Lantry moved to adopt Ms. Moermond's recommendation. She said she understood that there were constraints, but she didn't believe the Council should allow someone to live in a house without water service.

Council Meeting Information

The City Council is paperless which saves the environment and reduces expenses.

The agendas and Council files are all available on the Web (see below).

Councilmembers use iPads to review the files during the meeting. Using the iPad greatly reduces costs since most agendas, including the documents attached to files, are over 1000 pages when printed.

Web

Meetings are available on the Council's website. Email notification and web feeds (RSS) of newly released Minutes, Agendas and Meetings are available by subscription.

Please visit www.stpaul.gov/council for meeting videos and updated copies of the Agendas, Minutes and supporting documents.

Cable

Meetings are live on St Paul Channel 18 and replayed on: Thursdays at 5:30 p.m., Saturdays at 12:30 p.m., and Sundays at 1:00 p.m. (Subject to change)
