Thank you very much for getting back to me timely. If I could not be there on 7/30, were my attached documents be sufficient? Must I take the phone call?

Thanks.

Gigi

Dear all,

The letter I received regarding the hearing of the council meeting read

APPEAL You can appeal the
the assessment, yo
hearing or present
3:30 PM. Followi
to the district court
adoption of the ass

It was written that I could present my objection directly to the Council on Wednesday July 22, 2020 at 3:30 p.m. I was watching for the whole meeting and there were no "input" from the public. I was not impressed. I wanted to be given accurate information such as a clear guidelines of voicing objections which would not be including voicing the objection at the meeting as a public member.

Please remove my late fees and reduce my trash assessment from \$37.68 to **\$32.76**. Thanks.

Gigi

Dear City Council,

Hello. I will be online at the web meeting at 3:30 p.m. today. I send in the trash bills here wanting to document that I carried a credit balance in my account which charged late fees which I feel should be removed. Due to the contract, the Aspen Waste did not acknowledge the credit balance until the following quarter. I am asking to remove the $\$1.64 \times 3 = \4.92 which will bring the balance down from \$37.68 to **\$32.76** and it will be agreeable.

A year ago, I had to come in person to defend myself and Martha allowed me to remove the late fee/ finance charges due to my account had a credit balance not acknowledged until the following quarter.

Thank you very much. I can be reached at 612-978-0045.
