Mr. Vance,

Since there are some confusion as to deadlines, the legislative hearing is going to review the file on Tuesday as scheduled to get specific deadline(s) from Fire inspection staff and what she wants to put as the deadline. If there are items that still need to be addressed, you stated you will take care of it. Please note that if items have been written, you would need to comply with those items by the deadline, not on your own time.

You don't need to attend the hearing on 2/18 @ 1:30 p.m. Ms. Moermond may want to get clear information and continue the matter for one week, if needed.

A letter will be sent to you after the hearing.

Dear Mai:

Only appealing the timing. Inspector Fanquiz said at the Oct. 28,2019 inspection that it was final inspection and that I had until spring to deal with the fence. If other items still need addressing, I will take care of as I have for over 40 years. Right now I'm dealing with police reports and insurance claims associated with car that crashed through [said]

fence and wound up in back yard of this property. I also have at least a month's worth of tax prep to do. So only appealing timing of the Jan. 28 2020 letter.

Sincerely
Joe Vance

Subject: 1113 Comp PI Appeal

Hello Mr. Vance,

I want to confirm with you if all of the items in the January 28, 2020 order is what you are appealing or are there only number of items you are appealing? The only item mentioned a Spring 2020 deadline is Item 2 which relates to the fence and garage. Inspector Franquiz did not specify a certain date but only mentioned Spring 2020. If you want to appeal more than the exterior items, we will keep the hearing as scheduled.
