51 Avon St S has 6 Individual Parcel Id numbers (Meaning 6 different owners) the building does not have a common Area Pin. Somewhere along the line the system just picked the 1st pin. Which is incorrect and not ok. The Primary Active address shouldn't exist unless we know the Association/President of the whole building. All Assessments are based on a Parcel ID number not an Address. So we cannot add or change the billing address like DSI can.

I have updated the Primary Active row in Stamp/Amanda to reflect the Association/President of this building. So in the future they can forward on the Notice and/or Invoice. Paula can you send a Graffiti Wavier to the association Durand And Associates 152 Hardman Ave S, South St Paul MN 55075.
