Hi my name is Cara Feder and I just received this notice of public improvement construction. This that hearing that you guys are holding for Wednesday May 7th and I am a new owner of 162 George Street in West Saint Paul and I just bought this property and of December and I don't have the funds to pay \$3000 three \$103,375.75 to contribute to this. So I object to this project and I'm not able to contribute to it at this time at all because I wasn't expecting this extra expense to pop up and I just bought the building, so I'm not able to contribute. My number is 818-216-1714. Please call me if you have any questions. Bye bye.
