Comments: Renova bought the property on 7/31 with outstanding violations. We intended to resolve them by the 8/5 deadline but the tenants changed the locks and I wasn't able to gain access in time. The tall grass notice (and other notices) were mailed to the previous owner and I didn't get them until 8/10. I filed a change of ownership last week so I believe your records should be current now. I was finally able to make contact with the tenants on 8/12 and they won't hinder the repairs going forward. I also notified them today that the other issues must be rectified immediately.
