To whom it may concern,

My name is Floyd Lowe. I am writing attesting to the work performed at 971 Case Avenue in St. Paul, MN. After speaking with inspetctor James Thomas on or about May 24th 2012, myself and two laborers returned to the property on May 28th, 2012 for a second time. We replaced and repaired rotted wood at the rear of the residence. Also scraped and painted defective areas over entire property as well as sealed an opening that existed in front of the residence. At this point I am not sure what else this property needs to satisfy the city standards. I am certain working together we can resolve this issue.

Respectfully Yours,

A handwritten signature in cursive script that reads "Floyd D. Lowe". The signature is written in black ink and is positioned to the right of the typed name "Floyd D. Lowe".
