

Saint Paul Minnesota
The most livable city in America

2018 Proposed Budget Presentation to the City Council Follow Up Meeting

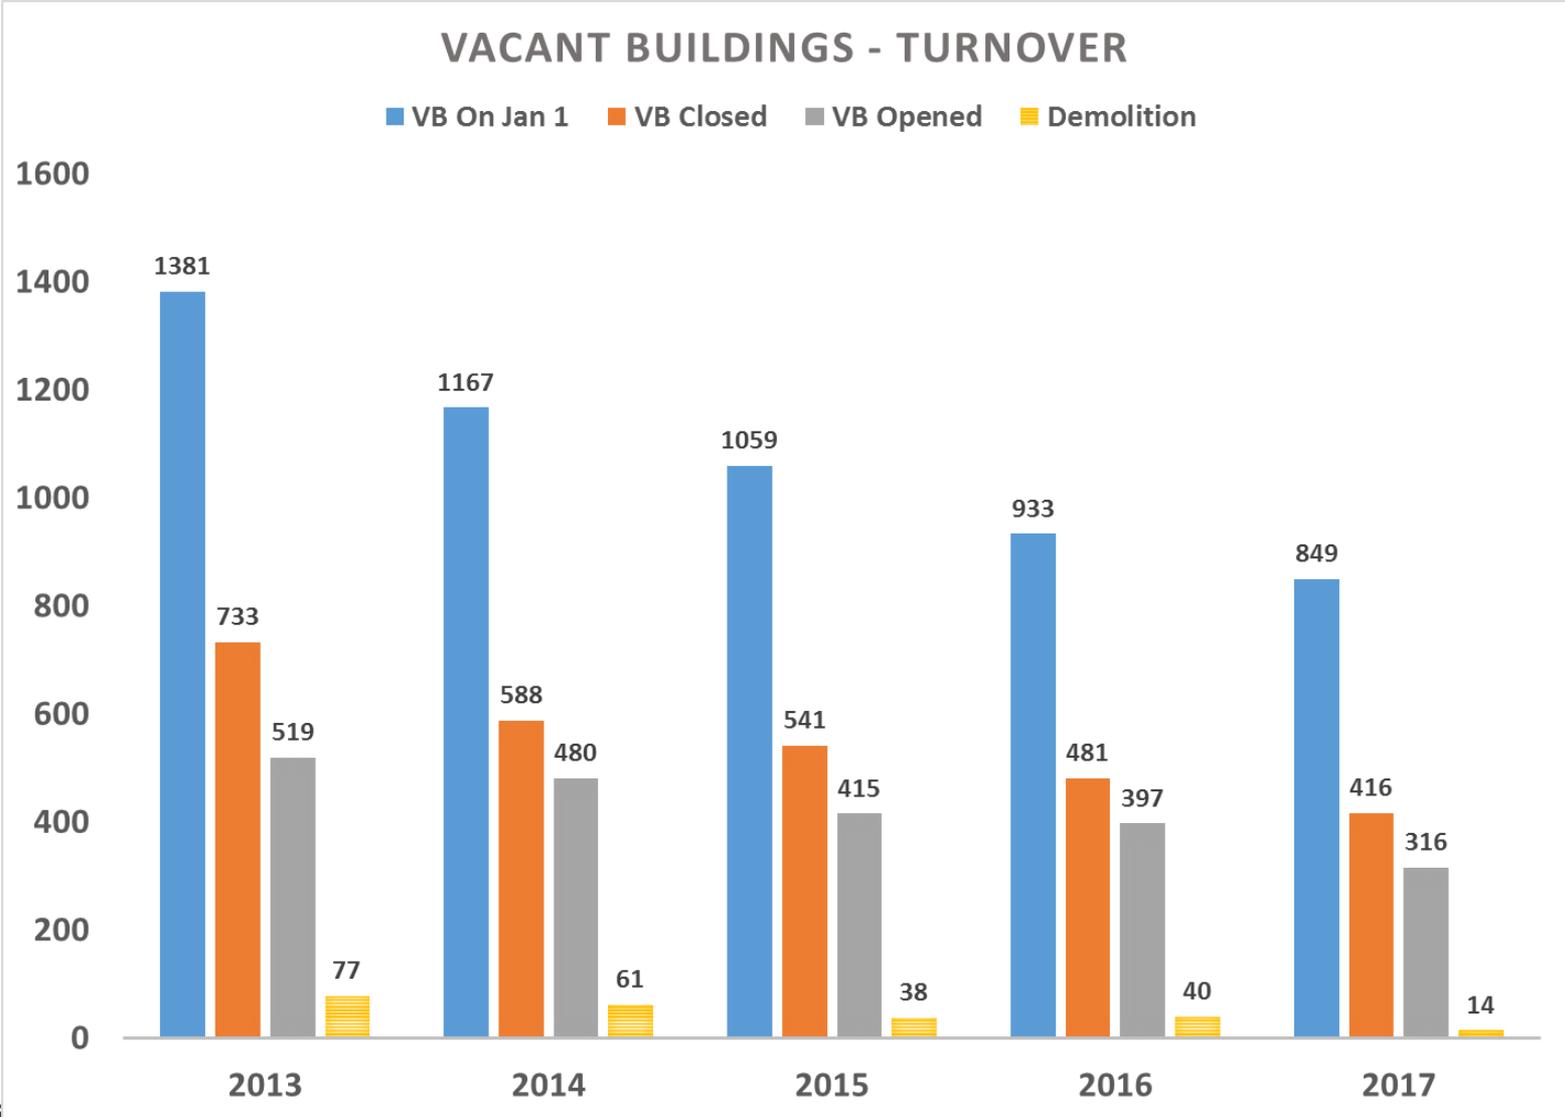

November 1, 2017

Department of Safety and Inspections

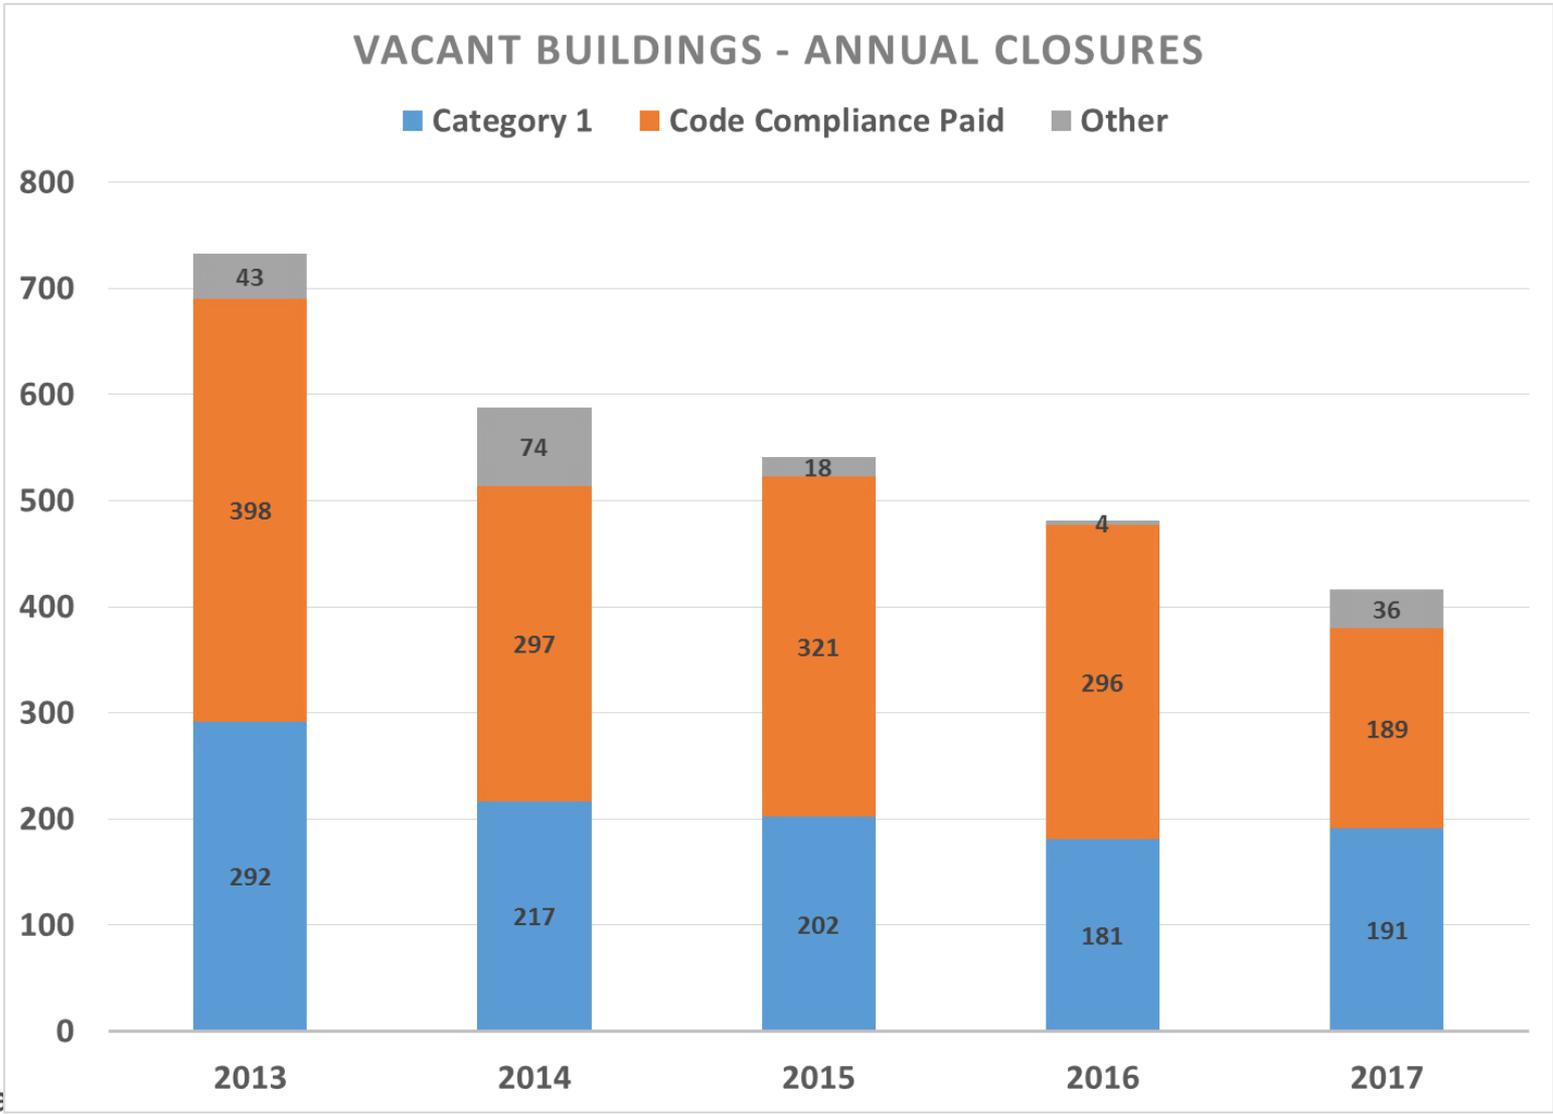

Community Development Block Grant (CDBG) Vacant Buildings

Question: How many vacant buildings are coming out of the program because of reinvestment compared to demolition. A 3-5 year history would be preferred.

Community Development Block Grant (CDBG) Vacant Buildings

Promote Neighborhood Livability & Safety

Question: What is the past and current performance for resolving Code complaints ?

Promote Neighborhood Livability & Safety

Sustainable Packaging Educations Efforts

DSI will be conducting the following efforts:

- Include Bizrecycling information on DSI and Open for Business webpages
- Provide Bizrecycling information to permit/license applicants when related to a business
- Provide Bizrecycling information during field interactions (E.g. Fire C of O inspections)
- Work with PED to ensure they are providing Bizrecycling information to their customers
