Hello,

I have already provided all of the information via email and snail mail to your office as well as to Waste Management when it was brought to my attention by your office and I even made my 1 missing payment to your office.

I will resend the information again but for now I have also attached a screenshot of my bank records showing I overpaid in October 2023 as well as made my other payment.

Waste Management , and Board of Water , stopped sending me bills after I filed a harassment complaint against a City worker.

Leeann,

The correspondence between us in December was in regards to an unpaid garbage bill from Quarter 2 (April-June) 2023.

The letter that you sent in the mail was merely a written statement saying that you paid your bill. That was not considered substantial evidence for why the assessment should be waived.

The screenshot that you sent is helpful. I see that the following payments were made to Waste Management via your US Bank checking account:

2-6-2023: \$65.00

10-2-2023: \$73.00

I will reach out to Waste Management and ask why the payment in October was not applied.

Thank you for your patience,

Lydia

Lydia,

Oh that's right. I was fresh out of my major ankle surgeries so my apologies for that mix up.

I did send you that payment. Hope it was received.

I hope things do get squared away quickly with Waste Management and they start sending me my bills proper and timely again.

LeeAnn

I'm sorry about your ankle! I hope it has healed up.

Yes, the Quarter 2 assessment have been has been paid. Thank you.

Have you not been receiving bills from Waste Management regularly at the start of every quarter, i.e. Jan, Apr, Jul, Sep? I will ask them what address they've been sending them to.

As for your Quarter 4 bill, they are still contesting that they haven't received it. Not sure why, but they are fixated on the meaning of "...3001" that is listed under "Waste Management" on your screenshot. Can you send me an expanded screenshot of just that October payment? You can cover any personal info as needed.

Hello Lydia,

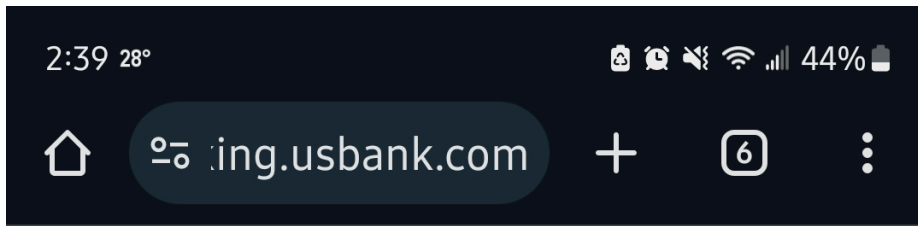

Thank you. Nope, my ankle wont be fully healed til at least June. I have been pushing it too much since I have no help from my disability people.

Yeah you got the payment.

No ma'am I have not received a Waste Management bill in almost 1 year. Given those months you listed shouldn't I have received my Waste Management bill already? I have not received anything.

3001 is my account number. Same number I have used for years that I've been paying online. I did the expanded shot of my payment and it is attached. If that money didn't go thru then where did it go?

LeeAnn,

Thank you. Waste Management has finally confirmed that they received your payment in October 2023. I am waiting to see what your original invoice was before making an official recommendation for how much of the assessment to waive.

What service level/size cart do you have for garbage?

Also, Waste Management provided a copy of one of your bills showing that they are being sent to 556 York Ave, Saint Paul, MN 55130. If you do not receive a bill at the beginning of April, please reach out so that we can figure out the issue.

Thank you,

Lydia

LeeAnn M Warner March 30, 2024 at 12:04

Lydia,

Thank you. Hopefully all of it gets waived.
Attached is a copy of what I have.

Unfortunately, because they charge way more than my previous company I can only afford the little biweekly purple lid bin.

I am on disability with a limited income.

Yep that's been my address for 45 years.

Right after I filed a complaint of harassment against a City worker my Waste Management and Board of Water bills stopped coming and a ton of fees , fines , bills have been put on my assessments and NO ONE -- other than you -- have been working with me to get things cleared up.
Who can I talk to to get the rest fixed?

I intend to pay \$65.00 when I get paid on Monday the 1st.
But if I do not get a bill I will let you know.

Thank you.
LeeAnn

LeeAnn,

Since you overpaid on that Quarter 4 bill in 2023, I am going to recommend full removal of the assessment. To be removed, it has to be heard at a legislative hearing. That will happen this coming Thursday morning. There is no need for you to attend as I will be presenting the information on your behalf. I cannot guarantee that it will be approved for removal, but I fully anticipate that it will. I will send you a letter in the mail with the resolution. If you are unhappy with the result, you are welcome to contest further.

As for the extra payment that you made, you should have had a credit of \$10.52 on your garbage billing account. You underpaid by \$0.60 for your Quarter 1 (Jan-Mar) 2024, so that would bring the credit down to \$9.92. I am checking with WM to make sure that it is applied to your Quarter 2 (Apr-Jun) 2024 bill. I will let you know what I find out.

As a reminder, the Quarter 2 bill is due by Mar 25, 2024.

Best,

Lydia
