RE: 470 Cleveland Ave S - Myriel - Add Liquor Outdoor Service Area (Sidewalk) to existing
Liquor On Sale Lic. ID #20210000722

Hello,

Candlestick Hospitality LLC, DBA Myriel is proposing a full food and liquor outdoor seating area on the sidewalk on Cleveland Ave S, outside of the restaurant.

The tables on the sidewalk, a total of 3 tables as needed, (sometimes only 2 tables will be used depending on our staffing/capacity for service) will be bookable by reservation or by walking in to talk with the host and be seated by the host at the table for full table service. There will be no self seating or self service at the outdoor tables.

Guests will be seated with water and our a la carte menu, a beverage menu and wine list. A server will take their order, and serve all food and beverages ordered, to the table. Guests will be carded for alcohol service to ensure compliance.

Sincerely,
